

Government Policy GOSIP dissection

GOSIP=Government scheme,idea, plan, policy, project
(anyone of these=GOSIP)

Note: This is a modelling, done based upon analysis of existing facts and evolving reasoning, as to how the 'Government' and 'Constituents of Governance' are likely to behave and function 'influenced by normal human attributes' under different 'probable conditions' and does not imply projection or criticism of 'any particular government system in the world'. Any explanation in this 'coinciding with any working Government system' shall be an unintentional coincidence only.

GOSIP Owners		Yes=200; No=(-)250
	Do the government notify the name and position of MOG and MGG (at least top three levels) who were associated in 'making the GOSIP' alongwith the policy declaration and notification	Yes=100; No=(-)150
