

Laws and Rules

Social positive factor SPF (Positive citizen); SNF: Social negative factor (negative citizen); FCR/CRAG-First crime registration; LPR-Laws producing Results; LoNU-Laws of No use; CDV- Citizen disincentive Void; PDA- Power Dissipating agencies; FORC-Freely Obtainable registration of crime; CRAG-auto generated crime report; CAALee-Crime abolition and Law enforcement entity/establishment

Government Role and mission-GRAM	Has the government established unit/organ responsible to coordinate at each unit region/district level with all media sources and public reporting sources, obtain and compile and present the data of occurrence of major crimes and other crimes for each day for each district	Yes=500; No=(-)500
	Are the data being published by government and different public domain sources every month for 1.total number of cases under decision in courts for major crimes and other crimes 2. total cases of major crimes and other crimes decided within 2 years 3. Total number of cases of major crimes and other crimes under investigation with police 4. Number of new cases registered for major crimes and other crimes	Yes=500; No=(-)500
	Are the data being published by Government on public domain every months regarding number of severe crimes occurred during the period (If FCR/CRAG is not freely accessible and human interface free only the (-) score is applicable)	Yes==250; No=(-)300
	Are the data being published by Government on public domain every months regarding number of non-severe crimes occurred during the period (If FCR/CRAG is not freely accessible and human interface free the (-) score is invariably applicable)	Yes==250(only with FORC); No=(-)300
	Does Government confirm on public domain that the statistics pertaining to crimes cover all cases which have been reported by any media source local newspaper, regional or nation wide newspapers, television, radio etc	Yes==250; No=(-)250
	Does the Government publishes data of crimes on public domain district wise for each day. Only (-) score applicable if FORC not existing)	Yes=150 (only with FORC); No=(-)250
	Does the Government publishes data of crimes reigion/state for each day wise Only (-) score applicable if FORC not existing)	Yes=150 (only with FORC); No=(-)150
	Does the Government publishes data of crimes every month different community wise Only (-) score applicable if FORC not existing)	Yes=150 (only with FORC); No=(-)150
	Does the Government publishes details of its survey and analysis for the above statistics and own responsibility of correctness Only (-) score applicable if FORC/CRAG not existing)	Yes=150 (only with FORC); No=(-)150

Does the Government display the owner and responsible Government official for statistics at district level and national government level.-- Only (-) score applicable if FORC/CRAG not existing)	Yes=150 (only with FORC); No=(-)200
Does the Government display the procedure for compilation of crime statistics Only (-) score applicable if FORC/CRAG not existing)	Yes=150 (only with FORC); No=(-)200
Does the Government display on public domain the cases highlighting involvement of HOG, MOG, OIG, PL if so. Only (-) score applicable if FORC/CRAG not existing)	Yes=150 (only with FORC); No=(-)250
Does Government places on public domain the details of Enforcement agencies/PDA with Government positions and associated RAA every month-each district	Yes=400; No=(-)500
Does Government make public every month- Number of cases (compared to total) in which no one punished for major crimes within two years	<5%=0+100 for each % less; >5%=(-)250+(-)100 for each % higher
% of total such cases in which no one punished within 2 years for crimes on women, children and handicap those not able to protect them selves-data published every month	<5% cases=0; 5to 10%=(-)20 each%; <10%=(-)100+(-)25 each% less
Number of cases of major crime like murder, rape, causing permanent loss/ damage/ deformation, attempt to kill, grave injury etc in which crime occurred where police was made aware of danger in advance with FORC provided-data published every month	each case (-)150 for regional government, (-)150 for nation's government;
Without FORC provisions-Number of cases of major crime like murder, rape, causing permanent loss/ damage/ deformation, attempt to kill, grave injury etc in which crime occurred where police was made aware of danger in advance -data published every month	(-)250 each case for both governments
Number of cases in which crime occurred where police knew about criminal behaviour and had interaction with criminals before crime-data published every month	each case=(-)200
Number of cases in which police did not file cases in court within 3 months after the crime-data published every month	each case=(-)150
Number of cases in which court decision delivered without following norms of OEJ for major crimes on women, children, handicap-data published every month	each case=(-)200
Adequate provision made for freely accessible and non human interface FORC(FIR)/CRAG crime registration accessible by any citizen even from remote place	Yes=500; No=(-)700
Number of cases in which crime occurred, reported by any source or media, but FIR/FCR was not registered by people (based upon independent survey or independent data from people)-data published every month	<2% of total registered FIR=0; 2to5%=(-)100 each %; >5%=(-)250 each% high
Does Government starts a case of a crime based upon reports in any media or source even though no FCR registered	Yes=500; No=(-)700

Number of cases in which crime occurred as reported by any source or media but FCR/CRAG could not be registered by people-data published every month	<2% of total reported=0; (-)150 each %higher
Number of cases in which cases withdrawn from the courts by complainant in between-data published every month	(-)150 each case
Number of cases in which witness became hostile or changed statements-data published every month	(-)150 each case
Number of cases in which police did not produce adequate evidence at the time of producing case to the court-data published every month	(-)150 each case
Number of cases in which police did not do adequate investigation as required -data published every month	(-)150 each case
Number of cases in which crime occurred but no one punished-data published every month	(-)200 each case
Do Laws exist to restrict undue urge to grab nation's resources	yes=200; No=(-)200

Any case of citizen killed because of misdeed of others but no direct laws available for curbing such misdeed-data published every month	yes=(-)200 each case
Any case of citizen killed because of misdeed of others but no direct laws available for such misdeed after six months from the incident-data published every month	yes=(-)200 each case
Is there any crime which has occurred, reported by public media or any source, but not covered by a law directly-data published every month	yes=(-)200 each case
Are the laws for crimes against women, children, handicap exists for last 10 years	yes=200; No=(-)250
Are the crimes occurring at present for which laws existing for last 11 years or more	Yes=(-)250 No=200
Are the laws existing for murders, murders of old , handicapped, women,Children, rape with women , rape with minors, rape with babies, slavery ,Physical deformation (Cm), other crimes against women, children & handicap	yes=400; Not all=(-)500

Are the crimes occurring for murders, murders of old , handicapped, women,Children, rape with women , rape with minors, rape with babies, slavery ,Physical deformation (major crimes-Cm), other crimes against women, children & handicap	Yes=(-)400 No=400
Are the non-major crimes for which punishment for imprisonment upto six months available are occurring-data published every month	Yes=(-)500 No=500
Are the non-major crimes for which punishment for imprisonment upto six months available are on increase with statistics based upon freely accessible FCR without human interface with police-data published every month	Yes=(-)500 No=500

Are any cases for non-major crimes for which punishment of imprisonment upto six months available are not decided by court within six months from date of occurrence-data published every month	Yes=(-)500 No=500
Are the non-major crimes for which on the spot monetary penalty, fine punishment available occurring -data published every month	Yes=(-)200 No=250
Are the non-major crimes for which on the spot monetary penalty, fine, punishment available occurring and increasing-data published every month	yes=(-)250 No=200
Are any cases of non-major crimes for which on the spot fine punishment available are not decided by courts within three months	Yes=(-)400 No=200
Are the crimes which are visible or can be seen by 'Caalee' every day in general are occurring - Cv (Visible crimes)- like : black sheets on glasses of vehicles, non-standard vehicle number plates etc	Yes=(-)500 No=200 <1year=0; 1to4years=(-)50 each year; >4 years=(-)200 each year
Are the laws for Cv in existence for more than year but Cv occurring	Increasing=(-)250 ; Decreasing=250
Are the crimes Cv increasing or decreasing for any consecutive period of 3 months	Yes=(-)400
Are there cases where crime Cm occurred in front of people	Yes=(-)400 each case
Are there cases where crime Cm occurred in front of people and criminal was not caught	Yes=(-)500 each case
Are there cases where Caalee- police was informed about the danger of crime Cm before crime occurred	
Separate more stringent and severe laws made for MOG, MOGE, MGG, PL for undue and unjustified action by them or /and more stringent action covered in the existing laws	yes=200; No=(-)250

Completeness of Laws/law

Are objectives of making of a law defined with specific targetted achievements	yes=200; No=(-)250
Objectives of structuring the law covers safeguard the Nation's resources being grabbed by a person or persons, including HOG, MOG, OIG, PL, MGG, beyond an extent which is not due to it.	yes=200; No=(-)250
To Safeguard the SPF itself and its resources being snatched off	yes=200; No=(-)250
Maintenance of cordial and harmonious environment by all society's members	yes=200; No=(-)250
Are objectives of making of a law defined with specific targetted achievements in DAVM form	yes=200; No=(-)250
Is it covered in the law:-Is owner of the laws at government level defined respondent and responsible for higher LPR	yes=200; No=(-)250
Is it covered in the law:-Is enforcement methodology and rules for concerned enforcement unit/organ/agency defined with RAA of enforcement/unit /agency	yes=200; No=(-)400

Is it covered in the law:-Are enforcement GPP defined with Government position in an identifiable manner as individuals	yes=200; No=(-)400
Is it covered in the law:-Are enforcement agencies and units defined at national and state and district level in an identifiable chronological heirarchy manner	yes=200; No=(-)400
Is it covered in the law:-Are enforcement GPP (and responsible non-government persons-if applicable) in different agencies and units defined in an identifiable manner as individuals	yes=200; No=(-)400
Is it covered in the law:-Are co-owners/co-actors/co-players of laws defined at enforcement level identifiable as individuals	yes=200; No=(-)400
Does the law define and provide assessment of RAA of the owners and co-owners of the law	yes=200; No=(-)400
Does the law covers all dimensions objectives and targetted achievements;	yes=200; No=(-)200
Does the law covers different PDAs, GPP, IGPI, DOUEE and stages of investigations by them on a time-line	yes=200; No=(-)200
Does the law provides check list of bare minimum items to be checked by 'Caalee, PDA, investigating agencies, medical examinations, laboratory validations (the list should be as comprehensive as possible against a time line) for each stage	yes=200; No=(-)400
Does the law covers process flow diagram showing all agencies PDA involved upto getting desired results	yes=200; No=(-)200
Does the law covers time frame/ period upto getting desired results	yes=200; No=(-)200
Does the law exclusively covers actions which would result discouragement to SNF	yes=200; No=(-)200
Does the law executively covers actions resulting encouragement to SPF(visible support of government and witness protection and confidentiality etc)	yes=100 each item; No=(-)200 each item
Does the law covers process for regular periodical assessment (maximum each year) of success or failure of law	yes=200; No=(-)200
Separate more stringent and severe laws made for HOG, MOG,OIG, MGG, PL for undue and unjustified action by them or /and more stringent action covered in the existing laws	yes=200; No=(-)400
Laws exist for detecting and taking up actions of taking undue benefits by a citizen or GPP, PL by causing loss to other citizen	yes=200; No=(-)250

CDV- Citizen Disincentive void

Police and investigation agencies's human interface free freely accessible registration of crime FORC/CRAG provided	yes=400; No=(-)500 NN=(-)250; N=(-)200; Z=(-)50; P=100' PP=200
Social haetrernity index	NN=(-)250; N=(-)200; Z=(-)50; P=100' PP=200
Government's Master slave governance index	NN=(-)250; N=(-)200; Z=(-)50; P=100' PP=200
Are the laws produced by the government verified and certified as 'complete laws'	yes=250 No=(-)400

CEAK Level /index	NN=(-)250; N=(-)200; Z=(-)50; P=100' PP=200
Average citizen Index	NN=(-)250; N=(-)200; Z=(-)50; P=100' PP=200
Are non-compliance of laws and rules on roads visible	yes=(-)250 No=200
Are non-compliance of road signals, wrong overtaking, not driving in lanes, overspeeding visible	yes=(-)250 No=200
Awareness of laws by public/citizen/PON- any public domain where laws are notified for public/citizen/PON	Yes=200; No=(-)250
Do the procedures of JDS follows principle that 'if it is not justice then it is injustice'	yes=250 No=(-)400
Has the JDS installed procedures for all stages of justice delivery from occurrence of crime onwards, as integrated system mentioning all players, co-players, etc	yes=250 No=(-)400
Has the JDS put steps in all procedures for all stages of justice delivery on timeline	yes=250 No=(-)400
Are there cases reported on any media that the victim/grieved person approached 'Caalee'/ GPP telling about problems/ danger before occurrence of crime but it was ignored by 'Caalee'/GPP	Yes=(-)500 each case
Are there cases in which Court/Judge expressed that there were deficiencies in 'CAALEE/ PDA investigations	Yes=(-)500 each case
Average period of justice delivery by Justice system from date of crime for severe crimes murder, kidnapping, rape, crime resulting permanent disability, crimes against women-children- handicap, terrorism notified by government with data	<1yaers=200; >1years=(-)200each year
Average period of justice delivery by Justice system from date of crime for other non-major crimes - notified by government with data	<3Months=400; >3months=(-)200each year
Number of days-spent by WAL till getting justice	
Number of visits by WAL to any government office and Courts till getting justice	<7=100; >7(-)100 each visit more
Money spent by WAL for getting justice-% of its earning in same period	<5%=100; >5%=(-)100 each % more
Justice delivery system INDEX	NN=(-)400; N=(-)250; Z=(-)50; P=100' PP=250
Does JDS confirms in justice delivery that final decision fulfills the loss WAL incurred since crime occurred on it	Yes=200; No=(-)250
Number of cases x number of days (case days) ;of severe/major crime in which the accused is permitted to move freely before final justice delivery	Yes=(-)50 each case day;
Number of cases in the court in which evidence destroyed/ witness changed stand during case progress in the court	Yes=(-)100 each case
Does DH confirm on public domain that identification of a person in region/district can be done within 30 minutes from the oral description by victim	Yes=250; No(-)500
Are provisions of biological identification kept in the law	Yes=250; No(-)500

Average time taken by CAALEE/DPH in investigations of major crimes for presenting the case to the JDS with JD confirming that prerequisite details are covered by CAALEE-	<3months=250; >3months=(-)200 each month more
Average time taken by CAALEE/DPH in investigations of major crimes for presenting the case to the JDS with JD confirming that prerequisite details are covered by CAALEE- district wise data presented on government public domain every month	Yes=150; No=(-)250
Number of reported cases of major crime occurrence but FCR/Crime report not registered within 2 days	(-)200 each case
Is the procedure exists in JDS for examining a witness by hiding identity	Yes=150; No=(-)250
Number of reported cases of major crime occurrence but witness statement not taken in confidential manner	(-)200 each case
Number of reported cases of major crimes in which witness got killed before the case decided	(-)400 each case
Number of cases of non-major crimes in which action taken by CAALEE not notified on public domain within one month	(-)100 each case
Average expenditure by WAL on getting justice-compared to earnings in same period	<5%=100; >5%=(-)100 each % more <2years=200; >2years=(-)150 each year more
Average period of justice delivery by JDS in case of major crimes	
Number of cases of major crimes in which both expenditure higher than 5% and time taken for justice delivery >2 years	(-)200 each case
If average citizen earning is E, is the charges of a lawyer for one day =E*365x105/12(presuming maximum 5% spendings on seeking justice)	Less or equal=200; More=(-)200 >80%=200; 50-80%=0; 30-50%=(-)10 each% less; <30%=(-)250+(-)20 each %
% cases in which education level of citizen is at equivalent to minimum recognized education level of a lawyer	
Are detailed laws available free of cost in an easily accessible manner	yes=200; No=(-)250
% cases in which crime happened but court closed the case without punishment to anyone (courts decision is not the basis to decide if crime occurred or not. It is based upon investigations, forensic and medical reports and other substantiation)	<1%=0; 1to2=(-)400; >2%=(-)400+(-)40 each% more
Any case of torture of citizen by CAALEE/ law maintenance units	(-)400 each case
Are cases of torture of citizen by CAALEE/ law maintenance units continuing for 5 years or more	Yes=(-)250; No=100
Have CAALEE/ law maintenance units structured RAA criteria for its actors and criteria made public	Yes=200; No=(-)250
Have investigation units structured RAA criteria for its actors and made public	Yes=200; No=(-)250
Have justice system structured RAA criteria for its actors and made public	Yes=200; No=(-)250
Do the CAALEE/ law maintenance / investigation units and justice system review performance against RAA criteria in a period not exceeding 6 months and notify publicly	Yes=400; No=(-)450

Cases /complaints by citizen for a major crime by HOG, MOG, OIG, PL, MGG	(-)400 each case
FCR/CRAG crime report/complaint against HOG, MOG, OIG, PL not registered within 24 hours	Yes=(-)250 each case Registered=250 each case

Laws producing results

Government assigned responsibility to an entity/unit for maintaing crime statistics in every district	Yes=150; No=(-)250
Is the crime statistics of each district maintained on public domain and notified every month	Yes=150; No=(-)250
Are the major crimes reducing >5% during last two years	Yes=150; No=(-)250
Are the non-major crimes reducing>10% during last two years	Yes=150; No=(-)250 80to100%=500; 60-80%=(20each%; <60%=(400+(-)40 each%
% cases of total cases of major crimes in which court punished the culprit within two years for major and grave crimes	
% cases in which crime happened but court did not decide the case within 2 years (courts decision is not the basis to decide if crime occurred or not. It is based upon investigations, forensic and medical reports and other substantiation)	<1%=0; 1to2=(-)200; >2%=(200+(-)10 each% more
% cases in which crime happened but court did not decide the case within 5 years (courts decision is not the basis to decide if crime occurred or not. It is based upon investigations, forensic and medical reports and other substantiation)	<1%=0; 1to2=(-)200; >2%=(200+(-)50 each% more
% cases in which crime happened but court closed the case without punishment to anyone (courts decision is not the basis to decide if crime occurred or not. It is based upon investigations, forensic and medical reports and other substantiation)	<1%=0; 1to2=(-)400; >2%=(400+(-)40 each% more
Number of cases in which witness is attacked or injured or killed during the processing of case in court	(-)100 each case reported by any means
Identity of witness made public essentially by JDS	No=200; Yes=(-)250
Option of witness taken for making it public appearance	Yes=200; No=(-)250
Are disobedience of laws visible to public and CAALEE/ law maintenance units is continuing for more than two years	Yes=(-)400;
Any case of torture of citizen by CAALEE/ law maintenance units	(-)400 each case
Are cases of torture of citizen by CAALEE/ law maintenance units continuing for 5 years or more	Yes=(-)400 and (-)200 each year more
Have CAALEE/ law maintenance units structured RAA criteria for its actors and criteria made public	Yes=200; No=(-)250
Are laws exist that investigation units should structure RAA criteria for its actors and make public	Yes=200; No=(-)250
Do the laws exist that justice system should structure RAA criteria for its actors and make public	Yes=200; No=(-)250
Do the laws exist that CAALEE/ law maintenance / investigation units and justice system would review performance against RAA criteria in a period not exceeding 6 months and notify to public	Yes=400; No=(-)450

Are there cases that one person undergoing trials in court for doing two (or more) crimes at any time for any crime with punishment for any case can be 5years or more and second (or subsequent crime) was committed when first case was in court	yes=(-)250 for each subsequent crime;
Are there cases that one person undergoing trials in court for doing two (or more) crimes at any time for any crime for which punishment for any case can be 5years or more	yes=(-)250 No=200

Laws supporting Crime LSC

Are there criminal cases of major crimes against HOG,MOG,OIG, PL and Cases per million of population	<1=0; >1=(-)250 each one higher
Are there criminal cases of major crimes against MGG and Cases per million of population	<1=0; >1=(-)200 each one higher
Any criminal case against HOG,MOG,MOGE,PL pending for final punishment for more than two years	Yes=(-)500 each individual case;
Are the criminal cases against MGG pending for final punishment for more than two years	Yes=(-)500 each case
Any criminal case against JD, AJD pending for final punishment for more than two years	Yes=(-)500 each case;
Are there non criminal cases against HOG,MOG,MOGE, PL and cases per million population	<1=0; >1=(-)150 each one higher
Are there non criminal cases against MGG and cases per million population	<1=0; >1=(-)100 each one higher
Any non criminal case against HOG,MOG,OIG,PL pending for final punishment for more than one years	Yes=(-)150 each case
Are the non criminal cases against MGG pending for final punishment for more than one years	Yes=(-)150 each case
Any non criminal case against JD, AJD pending for final punishment for more than one years	Yes=(-)150 each case

Complete laws

Are objectives of creating a law or laws covered	Yes=150; No=(-)150
Are rights of the victim, who suffered loss, defined like freely accessible FCR with self auto registration,	Yes=150; No=(-)150
Is the crime defined in the law. Are WAL and WAG defined in the law as derived from the principles of the law	Yes=150; No=(-)150
Are severity level of the crime, maximum four, detailed	Yes=150; No=(-)150
Is the media/unit/agency of enforcement at government's level defined	Yes=150; No=(-)150
Are the heirarical positions responsible for enforcement in the government mentioned	Yes=150; No=(-)150
Is owner of the law at government level mentioned	Yes=150; No=(-)150
Are the procedures and methodology covered for law processing and implementation at government level detailed	Yes=150; No=(-)150
Is the media of enforcement at public interface level (civil administration+ CAALEE/police) defined	Yes=150; No=(-)150
Are the heirarical positions responsible for enforcement in the public interface level(civil administration/DH+ CAALEE/police)) mentioned	Yes=150; No=(-)150

Is owner of the law at public interface level(civil administration/DH+ CAALEE/police)/PDA) level mentioned	Yes=150; No=(-)150
Are the procedures and methodology covered for law processing and implementation at public interface level (civil administration/DH+ police/PDA) level detailed	Yes=150; No=(-)150
RAA- Accountability of all government faces at public interface level defined	Yes=150; No=(-)150
Is it detailed that what action is due against them if accountability requirements not fulfilled	Yes=150; No=(-)150
Are all steps mentioned in processes contained in a law detailed on the timeline	Yes=150; No=(-)150
Are checklists included to verify the compliance of procedures	Yes=150; No=(-)150
Do the procedures and checklists cover all stages like FCR, medical tests, forensic tests, field investigations, interfaces, presentation of case to JDS and delivery of justice by Justice system	Yes=150; No=(-)150 each attribute
Punishments detailed	Yes=150; No=(-)150
Punishment to government faces at public interface level covered if anyone found deficient in duties and preparing and presenting the case	Yes=150; No=(-)150
Is it covered that if a crime has occurred the case would not be closed unless culprit is caught and punished	Yes=150; No=(-)150
Is it covered that the processing schedule of case should be placed on public domain both at public interface level and JDS level	Yes=150; No=(-)150
Does the law provides punishment to culprit much more harsh than the loss it has caused	Yes=150; No=(-)150
Does the law provides that culprit to be kept away from society during punishment	Yes=150; No=(-)150
Are the enforcement and executant madia, organs, people, units defined and elaborated	Yes=150; No=(-)150
Are the role and duties of investigating units and people /CAALEE/police) and other investigating units, defined and elaborated	Yes=150; No=(-)150
Does law cover that by virtue of presentation of a case by the lawer, he was responsible and punishable if the case reported by him/her contained false/ irrelevant/ unsubstantiated claims/statements	Yes=100; No=(-)400
Does law provides that the justice maker/judge categorically mention that there is no deficiency found in the proceedings of CAALEE/police)/ investigating agency for delivery of justice	Yes=150; No=(-)400

Does the law make mandatory that the justice maker/ judge categorically mention that the case presented by lawyers after careful examination at their end and no false/irrelevant/unsubstantiated contents found it his/her presentation and by virtue of presentation of a case by the lawyer, he was responsible and punishable if the case reported by him/her contained false/ irrelevant/ unsubstantiated claims/statements	Yes=150; No=(-)400
Does the law provide that the justice maker/ judge categorically mention that he/she did not find any gaps, made up things, unsubstantiated presentation in the case all through	Yes=150; No=(-)250
Are Laws suggest that culprits kept isolated from society	Yes=150; No=(-)150
Is the place away from social dwelling base	Yes=150; No=(-)150
Do the laws define that culprits in prison treated to present an threat to all SNF outside not to repeat crime	Yes=150; No=(-)150
Are the punishments to the enforcement and executant units and people detailed as their wrong actions would obstructs the delivery of justice	Yes=200; No=(-)250
Are the punishment to the CAALee people covered if the investigations are found deficient for delivering justice	Yes=200; No=(-)250
Are the punishment to the lawyers covered if the presentation of case by him found to be having false/ irrelevant/ unsubstantiated claims/ statements	Yes=200; No=(-)250
Are there laws for monetary fine common for petty disobedience of rules	Yes=(-)150;
Are there laws for monetary fine common for petty disobedience of rules with collection of money at site	Yes=(-)150;
Is the amount more than which 50% or more people shall not spare as 'unforeseen expenses'	Yes=(-)150; No=100
Are monetary fines applied to cases of slackened compliance of rules like pollution by vehicles which are not human caused and remedy available in technology/science	Yes=(-)150;
