

Note: This is a modelling, done based upon analysis of existing facts and evolving reasoning, as to how the 'Government' and 'Constituents of Governance' are likely to behave and function 'influenced by normal human attributes' under different 'probable conditions' and does not imply projection or criticism of 'any particular government system or person in the world'. Any explanation in this 'coinciding with any working Government system' shall be an unintentional coincidence only.

Political and Government Leader GPL-Service vs

Master

NN/N=Master

PP=Service

Applies to both political leader and government leader
