

Planning (an act of intelligence and NOT act of Authority)

SOOTR=Success of objectives on timeline and resources GOPO-Govt planning unit/organization/organ

Government ent planning plans	Does Government has a unit/organization looking after the 'Planning' (GOPO)	Yes=100; No=(-) 150
	Government planning covers, energy, industries, interstate trade, trade between business domains, government infrastructure with productivity, non-government infrastructure, employment avenues, roads, bridges, Railways, Air travel infrastructure, river water management, all public services with government, citizen welfare, development, government resources utilization and accrued results,	Yes all=200; No=(-) 250
	Does the government GOPO makes it mandatory that the proposals only in DAVM form with "verifiability of progress and outcome and exact location; by common men" shall be accepted by government	Yes=100; No=(-) 200
	Does Government's planning unit/organization/organ GOPO places the schemes and plans in DAVM form for next two years -on public domain	Yes=100; No=(-) 150
	Has government standardized and notified the 'standard angle of planned progress' for different type of projects, construction (roads, building, bridge, all public services....), public welfare schemes using government money/resources, emergency expenditures, disaster expenditure	Yes=200; No=(-) 250
	Has government notified standard procedures to be adopted for preparing planning documents	Yes=200; No=(-) 250
	Has government notified DAVM objectives to be the basis of planning document	Yes=200; No=(-) 250
	Has government notified that accomplishment of DAVM objectives/goals on timeline, stagewise or year wise must be incorporated in planning document	Yes=200; No=(-) 250
	Has government notified the methodology and assessment procedure of 'Planning Value factor'	Yes=200; No=(-) 250
	Has government made it mandatory for all GPP /DOUEE that PVF is assessed and notified alongwith planning document/proposal	Yes=200; No=(-) 250
	Has government made it mandatory for all GPP /DOUEE that CAPP assessment /study/details are notified alongwith planning document/proposal	Yes=200; No=(-) 250
	Has government instituted the rule and norm that after first announcement of the GOSIP by HOG, MOG,OIG,PL the complete 'plan100%' shall be notified on public domain within 15 days	Yes=200; No=(-) 400

Is there a rule that the Plan/GOSIP details shall cover the (1)work components,(2) programme/achievable on time line,(3) proposed benefits to people on time line both quantitatively and region/population going to be benefitted and (4)proposed spending of/loss the government treasure/revenue/resources	Yes=250 if all notified
Is it notified by government that If the planning is with out DAVM objective and goals, not in time frame & time line against the dimensions' of planning, the planning by GPP will be a corruption oriented planning , taking away money for self interest.	Yes=250
Does the government GOPO makes it mandatory that the proposals only in DAVM form must cover measurement of benefits with corresponding Money/resources spent (including both government and non-government) for each location, shall be notified by government every six months	Yes=100; No=(-)200
Has government instituted laws/rules that all government bodies DOUEE and governments 'national and regional/state government' would initiate, process and accept/approve GOSIP only with DAVM objectives and goals on time line, every six months time slot, with proposed government resources/money required	Yes=200; No=(-)400
Has national government instituted law/rules that any proposal from state governments not conforming to above shall be rejected straightway.	Yes=100; No=(-)250
RAA of planner/Proposer	
Are procedures for analysis to be made for plans under execution, every six months regarding compliance of original path of panning elaborated	Yes=100; No=(-)150
Is analysis made for plans under execution, in a period not exceeding one year regarding compliance of original path of planning in DAVM	Yes=100; No=(-)150
Is it mandatory that details of analysis made public on public domain every time	Yes=100; No=(-)150
Is it made madatory that corrective steps and means (ΔY) worked out for optimizing plan intermedialely and placed in public domain	Yes=100; No=(-)150
Are the intermediate goals to be achieved each year and to be notified by government mentioned in DAVM terms alongwith government money to be spent upto that stage	Yes=150; No=(-)200
The actors participants CAPP responsible for planning notified with their contribution and responsibilities	Yes=100; No=(-)150
The actors participants responsible for materilizing & executing planning notified with their contribution and responsibilities	Yes=100; No=(-)150
Does Government's planning unit (GOPO) obtains proposals from the regions/province/ districts in DAVM form	

DAVM index of goals/ objectives

	Yes=150; No=(-
Are objective /goals are well defined in DAVM parameters)200	
Are goals well defined in DAVM terms on time line on yearly basis	Yes=150; No=(-)200
Are goals well defined in DAVM terms on time line with money and resources to be spent each year	
	Yes=100; No=(-
Methodology of achieving goals defined)150
Are performance measurement standards/parameters defined for efficiency, economy, quality, safety, better living, better environment	Yes=150; No=(-)200
Are the procedures for verifying accomplishment of goals defined	
Are the procedures for measuring accomplishment of goals defined	Yes=100; No=(-)150
Is the performance measurement methodology for how much (quantify) goals and objectives achieved on time line every six months covered in the plan	Yes=100; No=(-)150
Is the performance measured against how much ultimate goals and objectives achieved vs. money spent every six month	Yes=100; No=(-)150

Government plan sincerity parameters1

Is owner of the plan designated by name and position defining it as responsible for success of plan	Yes=150; No=(-)200
Are Co-owners and CAPP of the plan designated by name and position defining them as responsible for success of plan	Yes=100; No=(-)150
Are all CAPP, co-owner, participant, player, actor notified in the plan	Yes=100; No=(-)150
Are the goals (sub-goals) on time line defined for all CAPP in DAVM terms	Yes=150 ; No=(-)150
Is the visualization plan for next 5 yrs, 10yrs,20years presented every year by government	Yes=150 ; No=(-)150
Are progress in DAVM parameters of existing plans and DAVM achievables in future are notified by government every six months	Yes=200; No=(-)250
Are both 'acceptable' and 'unacceptable' aspects of the plan presented	Yes=100 ; No=(-)150
Does the government also covers the unacceptable aspects emerging out of a plan and how to prevent the unacceptable	Yes=100 ; No=(-)150
Has government notified to all DOUEE that the achievements of all existing GOSIP to be notified on public domain every six month period	Yes=100 ; No=(-)150

Does government publish the verified and measured achievements of each existing plans/GOSIP on public domain in an interval not exceeding 6 months	Yes=200; No=(-)400
Does plan highlight the verification and measurement procedure of goals by citizen and media	Yes=200; No=(-)400
Does plan addresses the improvement foreseen in efficiency, safety, development in DAVM terms	Yes=200; No=(-)250
Does the plan certify for judicious exploitation of natural resources in DAVM terms	Yes=150 ; No=(-)150
Does the plan highlight use/ consumption of natural resources and nation's resources with goals and on time line.	Yes=150 ; No=(-)150
Does the plan identify the adversities and problems/constraints and present strategies to manage the counter effects	Yes=150 ; No=(-)150

Government plan sincerity parameters2

Do government certify having accounted for loss to environment Air, Water, earth, Waste disposal, natural resources and covered in the plan	Yes=100 ; No=(-)150
Does government / organization identify the actors & players responsible to fulfill/achieve results	Yes=100 ; No=(-)150
Does government / organization identify responsibility of actors and players to fulfill results	Yes=100 ; No=(-)150
Does the plan identifies improvement in efficiency – savings of the time , resouces and money	Yes=100 ; No=(-)150
Does the plan identify the betterment of safety of human life, environment, disease prevention, disaster plan, nation's security, natural calamity, less accidents, less crimes, social integration etc	Yes=200; No=(-)250
Does the plan identify the improvement envisaged in DAVM terms on time line for safety of human life, environment, disease prevention, disaster plan, nation's security, natural calamity, less accidents, less crimes, social integration etc	Yes=200; No=(-)250
Does the plan addresses the infrastructural , technology requirements and management	Yes=100 ; No=(-)150
Does the plan addresses the professional requirements and management	Yes=100 ; No=(-)150
Does the plan describe TSTS analysis- ensure win-win situation from user side/citizen side	Yes=100 ; No=(-)100
Does the plan identify the development dimensions – better food, shelter , infrastructure earnings (against expenditure) , improved environment, life up-gradations, better health	Yes=200; No=(-)250

Sincerity-

3

Has government developed action plans for all emergencies flood, disease spread, famine, draught, communal unrest etc in advance	Yes=200; No=(-)250
--	--------------------

Has government developed action plans for all emergencies and the utilization of government money under various 'heads' of activities earmarking the number of beneficiaries, tentative locations, tentative area, enforcement GPP responsibilities, accountability to ensure justified use of government resources, goals and results envisaged Yes=200; No=(-)250

Has government instituted procedures to invariably providing justification on public domain by GPP for any 'unplanned' failure of 'public services' Yes=100; No=(-)150

Plan orientation welfare vs. corruption

Duration of the plan 2 years , 4 years, 4 to 10years without DAVM intermediate yearly goals elaborated 2yrs=100; 4yrs=0; >4yrs=(-)200 each year more

Is the total money to be invested identified and announced with detailed expected expenditure against main five heads of works/expenditure in terms of money allocation Yes=200; No=(-)250

Does the plan express DAVM achievements/goals every year Yes=100; No=(-)200

Does the plan express DAVM achievements/goals every year with funds spent and to be spent Yes=100; No=(-)200

Are objectives in different fields social welfare, public amenities, social harmony, environment improvement, efficiency , savings of nation's resources, safety mentioned in DAVM form on time line for an interval gap of 6 months maximum Yes=100; No=(-)150

Are verification and measurement procedures to assess success of plan defined Yes=200; No=(-)250

Do the owner of the plan certify and notify that objectives and goals/achivable parameters are justified against assigned cost Yes=200; No=(-)250

Has GPP mentioned, responsible to notify the progress against various objectives/goals is updated on public domain in a period not exceeding 6 months. Yes=100; No=(-)150

If the results obtained against objectives are not on public domain for any period exceeding 1 year after start , then the planning has inclination of misappropriation and corruption. If it is more than 2 years then the plan is for corruption only. >1yr=(-)200 ; >2yrs=(-)400 each year more

Are all details of a plan available on public domain Yes=200; No=(-)500

efficiency, safety, development

Has government notified the planning document as to how much quantity/amount of these planned to be produced in a year per head basis 1. Electricity 2. foodgrains, wheat rice 3. cereals, beans, dal, 4. milk 4. corn 5. sugar cane 6. cloths in lower price slot 6. different edible oils 7. petrol/products yes=200; No=(-)400

Does government notify the figures of actual production last year in planning document of these produced per head basis
1. Electricity 2. foodgrains, wheat rice 3. cereals, beans, dal, 4. milk 4. corn 5. sugar cane 6. cloths in lower price slot 6. different edible oils 7. petrol/products

yes=200; No=(-)400

SOOTR Index==Success of objectives on timeline and resources-wise

Are all associated domains, CAPP, and parameters for SOOTR identified and published

Yes=200; No=(-)250

Are SOOTR stages described up to final achievement.

Yes=200; No=(-)250

Does the domains cover both government bodies and non-government bodies

Yes=150 ; No=(-)150

Are all resources for achieving targets /goals arranged and published

Yes=200; No=(-)250

Are all domains identified with their assigned jobs and responsibilities

Yes=200; No=(-)250

Are all domains have accepted their assigned jobs and responsibilities

Yes=200; No=(-)250

Do all domains designated with their actors alongwith role and participation

Yes=200; No=(-)250

Are all stages of verification and measurement of achieved goals mentioned on time line and corresponding money spent, resources spent

Yes=400; No=(-)450

Is comparison of achieved goals and resources spent brought on same platform like money spent and earned

Yes=200; No=(-)250

Does the domain covers non-government experts.

Yes=100; No=(-)150

Does the government publishes government and non-government expert's value as per decision making profile and decision maker attribute

Yes=200; No=(-)250

Are the verification procedure for achieved goals prepared and published for verification by citizen

Yes=400; No=(-)450

Are the measurement procedures for achieved goals prepared and published for verification by citizen

Yes=400; No=(-)450

Is SOOTR rating of plan announced by one announcing the plan

Yes=200; No=(-)250

Plan vs Drama vs. cheating

Is identification of the plan is linked with name of some person, PL, HOG, MOG, OIG etc.

Yes=(-)400; No=250

Does the PL, MOG,HOG,OIG, MGG or VIP appear in public announcing or inaugurating a plan even before start

Yes=(-)200; No=250

Do the PL, HOG, MOG, OIG ,MGG highlight usefulness to the people in DAVM parameters with yearly goals

Yes=200; No=(-)250

Do the PL, HOG, MOG, OIG, MGG or VIP announcing the plan or scheme clearly own responsibility for success of plan

Yes=200; No=(-)250

Does the PL, MOG,HOG,OIG or VIP appear in public inaugurating /launch a plan even before minimum 40% successful completion

Yes=(-)200; No=250

Does the PL, MOG, OIG, HOG or VIP at such function (inauguration,....) announces the completeness planning (consolidation of plans) with DAVM goals an time line	Yes=400; No=(-)450
Are DAVM goals presented or slogan, literary announcements and statements given by PL, MOG, OIG, HOG or VIP at the function	DAVM=150; NonDAVM=(-)150
Are the slogans, poem, Nara presented by PL, MOG, OIG, HOG or VIP at the function at introduction of plan as the theme	Yes=(-)200; No=200
If a similar plan already launched earlier, does such person give details of achieved DAVM goals of that scheme and plan	Yes=200; No=(-)400
