

Value of an Election

Note: This is a modelling, done based upon analysis of existing facts and evolving reasoning, as to how the 'Government' and 'Constituents of Governance' are likely to behave and function 'influenced by normal human attributes' under different 'probable conditions' and does not imply projection or criticism of 'any particular government system or person in the world'. Any explanation in this 'coinciding with any working Government system' shall be an unintentional coincidence only.

objectives	Objectives of conducting the election are defined and made public	Yes=100; No=(-)150
	Objectives of conducting election are presented in DAVM form and made public	Yes=100; No=(-)150
	Objectives of election consist of the following	Yes=100; No=(-)150
	Election/selection of an honest, sincere, socially oriented, non-criminal, kind hearted person	Yes=100; No=(-)150
