Madiak intelligence score

Note: This is a modelling, done based upon analysis of existing facts and evolving reasoning, as to how the 'Government' and 'Constituents of Governance' are likely to behave and function 'influenced by normal human attributes' under different 'probable conditions' and does not imply projection or criticism of 'any particular government system in the world'. Any explanation in this 'coinciding with any working Government system' shall be an unintentional coincidence only.

	PEX-Panel of experts consisting of life sciences, engineering, finance/economy, business, law		
Anchor /presentor abilities	Has the madiak appointed presentor/anchor/correspondent having qualification, graduate in science/engineering/analytical fields for programmes in these fields	Yes=100; No=(-)150	Does madiak present analysis
	Has the madiak appointed presentor/anchor/correspondent having qualification, graduate in life sciences for programmes in these fields	Yes=100; No=(-)150	
	Has the madiak appointed presentor/anchor/correspondent having qualification, graduate in computer sciences for programmes in these fields	Yes=100; No=(-)150	
Analysis of presentations	Do the madiak certify with each presentation that the presntor/anchor has been authorized to deliver conclusion at the end and madiak stands responsible for it	Yes=100; No=(-)150	
	Has madiak instituted policy and rules for the sponsors and producers of programmes to presents analysis	Yes=100; No=(-)150	
	Has madiak instituted policy and rules to appoint PEX for evaluating and analysing Government's actions, GOSIP, crimes, social unrests, agitations, roits, GPP/PL/OIG speech and address,	Yes=100; No=(-)150	
	Has madiak instituted policy and rules to appoint PEX for evaluating and analysing scientific developments, engineering developments, life sciences, economic matters, Business/trade avenues and policies happening in the world bringing out 'pros and cons'	Yes=100each field; No= (-)150each field	
Experts panel PEX	Has madiak appointed panel of experts from life sciences, engineering, finance/economy, business, law, PEX, to evaluate different government actions, GOSIP	Yes=100each field; No= (-)150each field	
	Does madiak present detailed evaluation/analysis of government actions, GOSIP in the form at each occasion with session for minimum 30minutes, by deploying PEX	Yes=100; No= (-)150each time missing	
	Has madiak appointed panel of experts PEX from life sciences, engineering, finance/economy, business, law to evaluate different sides of the speech/statement of HOG, MOG, IOG, MMG top two level, PL top two levels	Yes=100; No=(-)150	
	Do the madiak evaluate speech/statement of HOG, MOG, IOG, MMG top two level, PL top two levels; each occasion session for minimum 30minutes, by deploying PEX	Yes=100each ; No= (-)150each time	

	Do the madiak's PEX present conclusion at the end regarding both benefits and the loss the speech/statement is likely to result when implemented	Yes=100each ; No= (-)150each time
	Do the madiak's PEX present conclusion at the end regarding benefits or the loss in DAVM terms, the speech/statement is likely to result when implemented	Yes=100each ; No= (-)250each time
	If anchor/presentor/correspondent is not from the fields the programme pertains to, has madiak associoated qualified experts, at least two, to comment during the programme regarding vital points (at least 20% of total duration)	Yes=100each ; No= (-)150each time
PEX eminence	Are the experts minimum Post Graduate with 15 years experience from life sciences, engineering electrical, social science with PHd in human behaviour, science fields, research/analysis in chemistry, computer fields, statistics/data management, engineering/industries, engineering infrastructure, business marketing, finance with research background	Yes=100; No=(-)150
	Does PEX consists of minimum four experts relevant to the issue being analysed an engineer of relevant field, analytical statistician/mathematician, benefit/loss assessor with research and analysis experience, relevant field expert	Yes=100; No=(-)150
	Does PEX consists of an official from government hierarchy	Yes=(-)100
Exploration-employment	Does madiak make presentations regarding proposed fields in which country can develop a broad base for employment once at least in one month for 20mins at least	Yes=100; No=(-)150
	Does madiak make presentations regarding fields in which the outside world has made developments and caused major employment at least four in one month, 15mins each	Yes=100; No=(-)150
Analyse- GOSIP	Has madiak appointed PEX for analysis of GOSIP at onset; and present analysis of each GOSIP	Yes=100; No=(-)150
	Do the madiak presents reviews alongwith PEX every 15days interval regarding the intermediate/final results achieved for any GOSIP, good or bad, and make projections for the future course	Yes=100; No=(-)150
	Do madiak maintains and present data, curves, trend/pattern, projections using analytical methodology to corelate the GOSIP with probable results on time line	Yes=100; No=(-)150

Stimulate intelligence-Research	Do madiak make detailed presentation of any and every research done in the field of engineering and present conclusion by PEX regarding its value and purposefulness	Yes=100; No=(-)150
	Do madiak make detailed presentation of any and every research done in the field of medical/life sciences and present conclusion by PEX regarding its value and purposefulness	Yes=100; No=(-)150
	Do madiak make detailed presentation of any research done in the field of finance recognized internationally and present conclusion by PEX regarding its value and purposefulness	Yes=100; No=(-)150
	Do madiak make detailed presentation of any research done in the field of chemistry, physics, computer technology recognized internationally and present conclusion by PEX regarding its value and purposefulness	Yes=100; No=(-)200
	Do madiak make detailed presentation of any research done in the field of agriculture recognized internationally and present conclusion by PEX regarding its value and purposefulness	Yes=100; No=(-)150
	Do madiak enlist all organizations/units registered with the aim of research and obtain regularly every three months, if any research has been done which got recognition by international bodies in that field- publishing status every month	Yes=100; No=(-)150
	Do madiak enlist all organizations/units registered with the aim of research and obtain any relaxation in finance, loans, export/import/business deals/taxes and duties /donations from the government or any other government/non-government bodies on account of research background and present summaries of their research work recognized by international organizations(mentioning if no-recognition); once in two months or earlier	Yes=100; No=(-)150
	Has madiak pre-defined/prescheduled programmes to bring out researches in the fields of engineering, medical sciences, energy availability, industrial processes, technology, chemistry, space science, earth, transportation means, disaster control at least one programme in one week	Yes=100each field; No= (-)150each field
Install vision (programme once in 15 days orless)	Do madiak make presentations regarding computer systems, communication, engineering, medical-life sciences, transportation systems in city, transportation systems long distance comparing the presently existing in the country and best in the world	Yes=100each field; No= (-)150each field

	Do madiak make presentations regarding Standard development index existing in the country and best in the world for city roads, water supply, drainage, sewage sytem, cleanliness in public places,	Yes=100each field; No= (-)150each field
	Do madiak make presentations regarding availability of energy per head in the country and best in the world for electricity and how it would effect the industrial growth and quality of life	Yes=100; No=(-)150
	Do madiak make presentations regarding a government hospital in a district existing in the country and best in the world to handle equal number of people	Yes=100; No=(-)150
promote intelligence-Programme Once in 15 days at least	Do madiak make presentations regarding an Engineer or a doctor/finance expert/chemistry expert/microbiology expert/scientist having got recognition by any national awards existing in the country and compare with similar research best in the world	Yes=100; No=(-)150
	Do madiak make presentations about new techniques available to enhance the productivity of manufacturing processes without promoting makes and brands	Yes=100; No=(-)150
	Do madiak make presentations about new equipments and tools available to enhance productivity of manufacturing processes without promoting makes and brands	Yes=100; No=(-)150
	Do madiak make presentations about new techniques available to enhance the productivity of agriculture production without promoting makes and brands	Yes=100; No=(-)150
	Do madiak make presentations about new equipments and tools available to enhance productivity of agriculture production without promoting makes and brands	Yes=100; No=(-)150
	Do madiak make presentations regarding education fields from which the eminent intelligent people emerges from, in the world	Yes=100; No=(-)150
	Do madiak make presentations regarding education fields which provided maximum number of jobs amongst top 20% in the world(or in a nation if world data not available)	Yes=100; No=(-)150
Enhance responsibility	Do madiak make presentations suggesting solutions to the Crime occurrence and social evils at least once in 15 days interval	Yes=100; No=(-)150
	Do madiak make presentation to verify and measure accomplishment of goals/envisaged results in a GOSIP elaborating success level and failure level	Yes=100each time; No= (-)150each time

Anti- NAAK1	Do madiak presents programme on superstitions, ghosts, soul, abnormal happenings, and ends without making conclusion about the facts and without elaborating the cause and reasons	Yes= (-)100 each occasion
	Do madiak presents programme on superstitions, ghosts, soul, abnormal happenings, and concludes with scintific facts and elaborating the cause and reasons	Yes=150 each occasion
	Do madiak presents programme on primitive happenings/ mythology and ends without making conclusion about the facts and elaborating the cause and reasons	Yes= (-)100 each occasion
	Do madiak presents programme on primitive happenings/mythology and concludes with science based facts and elaborating the cause, rational and reasons	Yes=150 each occasion
	Do madiak presents programme on religeous myths without making conclusion regarding its relevance to present time and elaborating the cause, rational and reasons	Yes= (-)100 each occasion
	Do madiak presents programme on religeous myths and concludes with facts as regards to relevance to present time and elaborating the cause, rational and reasons	Yes=150 each occasion

Best in country and in world-
construction/engineering/energy
hospital
engineering
place to visit
tourism
