

Note: This is a modelling, done based upon analysis of existing facts and evolving reasoning, as to how the 'Government' and 'Constituents of Governance' are likely to behave and function 'influenced by normal human attributes' under different 'probable conditions' and does not imply projection or criticism of 'any particular government system in the world'. Any explanation in this 'coinciding with any working Government system' shall be an unintentional coincidence only.

Government obligation- Abolish Masterism (GOAM)

GPP=HOG/MOG/OIG/MGG(National level and/or state-regional level);

Financial
fudging

Does government declare and notify itself (government itself) responsible for a case of 'financial misappropriation-FM' for a GOSIP finalized by HOG/MOG that the Government money/resources claimed to have been spent for welfare of the citizen; were not spent as citizen not got benefitted Yes=100;
No=(-)250

Does government declare and notify the HOG/MOG responsible for a case of FM1 that it was HOG/MOG responsibility to prevent misappropriation and GPP failed Yes=100;
No=(-)250

Has government instituted and notified laws and rules specifying the number of cases of FM1 under HOG/MOG jurisdiction/control which would enforce government to terminate the services of MOG/HOG Yes=100;
No=(-)250

→

Does government declare and notify itself (government itself) responsible for a case of 'financial misappropriation-FM2' that the Government money/resources claimed to have been spent for welfare of the citizen; were not spent as citizen not got benefitted Yes=100;
No=(-)200

Does government declare and notify the GPP responsible for a case of FM2 that it was GPP responsibility to prevent misappropriation and GPP failed Yes=100;
No=(-)200

Has government instituted and notified laws and rules specifying the number of cases of FM2 under his/her jurisdiction/control which would enforce government to terminate the services. Yes=100;
No=(-)200

→

Does government declare and notify itself (government itself) responsible for a case of 'financial misappropriation-FM3' that the Government money/resources claimed to have been spent for welfare of the citizen; were not spent producing sub-standard and low quality results than what was envisaged Yes=100;
No=(-)200

Does government declare and notify the GPP responsible for a case of FM3 that it was GPP responsibility to prevent misappropriation and GPP failed Yes=100;
No=(-)200

Has government instituted and notified laws and rules specifying the number of cases of FM3 under his/her jurisdiction/control which would enforce government to terminate the services. Yes=100;
No=(-)200

Crime
occurrence

Does government declare and notify itself (government itself) responsible for a case of Rape Yes=100;
No=(-)200

Does government declare and notify the GPP responsible for Rape that it was GPP responsibility to prevent and GPP failed Yes=100;
No=(-)200

	Has government instituted and notified laws and rules specifying the number of cases of rape in region under his/her jurisdiction/control which would enforce government to terminate the services.	Yes=100; No=(-)200
→	Does government declare and notify itself (government itself) responsible for a case of murder	Yes=100; No=(-)200
	Does government declare and notify the GPP responsible for murder that it was GPP responsibility to prevent and GPP failed	Yes=100; No=(-)200
	Has government instituted and notified laws and rules specifying the number of cases of murder in region under his/her jurisdiction/control which would enforce government to terminate the services.	Yes=100; No=(-)200
→	Does government declare and notify itself (government itself) responsible for a case of crime against handicap and children	Yes=100; No=(-)200
	Does government declare and notify the GPP responsible for a case of crime against handicap and children that it was GPP responsibility to prevent and GPP failed	Yes=100; No=(-)200
	Has government instituted and notified laws and rules specifying the number of cases of crime against handicap and children in region under his/her jurisdiction/control which would enforce government to terminate the services.	Yes=100; No=(-)200
→	Does government declare and notify itself (government itself) responsible for a case of bomb blast in public	Yes=100; No=(-)200
	Does government declare and notify the GPP responsible for people killing due to bomb blast in public	Yes=100; No=(-)200
	Does government declare and notify the GPP responsible for killing of people due to bomb blast in public that it was GPP responsibility to prevent and GPP failed	Yes=100; No=(-)200
	Has government instituted and notified laws and rules specifying the number of cases of bomb blast in region under his/her jurisdiction/control which would enforce government to terminate the services.	Yes=100; No=(-)200
→	Does government declare and notify itself (government itself) responsible for people killed due to firing in public	Yes=100; No=(-)200
	Does government declare and notify the GPP responsible for people killing due to firing in public by a person	Yes=100; No=(-)200
	Does government declare and notify the GPP responsible for killing of people due to firing in public that it was GPP responsibility to prevent and GPP failed	Yes=100; No=(-)200
	Has government instituted and notified laws and rules specifying the number of cases of firing in public in region under his/her jurisdiction/control which would enforce government to terminate the services.	Yes=100; No=(-)200
