

Note: This is a modelling, done based upon analysis of existing facts and evolving reasoning, as to how the 'Government' and 'Constituents of Governance' are likely to behave and function 'influenced by normal human attributes' under different 'probable conditions' and does not imply projection or criticism of 'any particular government system in the world'. Any explanation in this 'coinciding with any working Government system' shall be an unintentional coincidence only.

Government ownership: Accept problems and find solutions

Accepting problems being faced by nation

MOG	Does HOG presents, every six months, the problems nation and citizen are facing and presents action plan to resolve with time frame	Yes=100 ; No=(-)200
