Note: This is a modelling, done based upon analysis of existing facts and evolving reasoning, as to how the 'Government' and 'Constituents of Governance' are likely to behave and function 'influenced by normal human attributes' under different 'probable conditions' and does not imply projection or criticism of 'any particular government system in the world'. Any explanation in this 'coinciding with any working Government system' shall be an unintentional coincidence only.

Government's problem solving index-prelim

Honesty	Has government/GPP notified the following as problem/crisis to be handled/resolved by government(Acknowledged and notified crisis-AANC): diasater/abnormalities(excluding earthquake) resulting >5 people died, incident/accident causing 10 or more people killed, incident causing disruption of road/rail stream for more than 6hours, incident causing loss of property more than half million, agitaion/riots resulting any person dieing, people dieing from food/eatable adulteration, similar type of incident resulting >5people died within 100SqKm, any threat to social positive factor, any threat to safety of human life/human killing,rape, any threat to deteriration of environment,	Yes=100each item; No= (-)150each item missing
	Has government/GPP notified the following as problem/crisis to be handled/resolved by government(Acknowledged and notified crisis-AANC): Crimes, planned human killing, rape	
	Does government project problem solving as a matter of publicity with madiak presentations, non-DAVM, more than two presentations in a week	Yes=(-)150;
	Does Government announce from designated official government platform- the details of any success made/ any problem solved/ any achievement	Yes=100; No=(-)150
	Does government announcement mention one GPP for the decisions of the government under discussions	Yes=100; No=(-)150
	Does government presents the DAVM facts/data/statistics/map what was before and what is after the problem solving by government	Yes=100; No=(-)200
	Does government presents the DAVM facts/data/statistics/map as to how government problem solving shall benefit the people and the nation	Yes=100; No=(-)200
	Does government presents the DAVM facts/data/statistics/map as to how government's problem solving actions enabled the elimination of problem	Yes=100; No=(-)200
	Does government presents the DAVM facts/data/statistics/map mentioning the extent of elimination of problem government's problem solving actions have resulted, if not complete	Yes=100; No=(-)200
Madism MADIAK	Does madiak mention name of one GPP claiming to be responsible for solving specific problem by the government	Yes=100; No=(-)150
	Does madiak repeat the news of any problem solving by government anytime within two hours	Yes=(-)150; No=100
	Does madiak presents the DAVM facts/data/statistics/map what was before and what is after the problem solving by government	Yes=100; No=(-)200
	Does madiak presents the DAVM facts/data/statistics/map as to how government problem solving shall benefit the people and the nation	Yes=100; No=(-)200

	Does madiak presents the DAVM facts/data/statistics/map as to how government's problem solving actions enabled the elimination of problem	Yes=100; No=(-)200
	Does madiak presents the DAVM facts/data/statistics/map if government's problem solving actions resulted the extent of elimination of problem, if not complete	Yes=100; No=(-)200
	Does madiak presents the DAVM facts/data/statistics/map as to how government problem solving benefitted the people and the nation	Yes=100; No=(-)200
Visualliza-tion	Does Government/GPP presents and notify the forthcoming problems/crisis at least six months in advance releasing statement every six months	Yes=100; No=(-)150
	When a problem/crisis occurs, does government evidence to have visuallized the same and announced; presenting its previous notifications	Yes=100; No=(-)150
	When a problem/crisis occurs, does the government announce and notify as to why it could not be prevented	Yes=100; No=(-)150
	Does Government/GPP presents and notify the forthcoming problems regarding possible disaster	Yes=100; No=(-)150
	When a disaster(excluding earthquake) occurs, does government evidence to have visuallized the same and announced	Yes=100; No=(-)150
	When a disaster (excluding earthquake) occurs does the government announce and notify as to why it could not be prevented	Yes=100; No=(-)150
	Does government affirm and notify that adequate measures taken to prevent any reoccurence of the problem/disaster(excluding earthquake)	Yes=100; No=(-)150
	Does all regional/state government affirm and notify that adequate measures have been taken to prevent disaster/problem reoccurence	Yes=100; No=(-)150
	Has government concieved, prepared and notified the minimum standard action plan for each responsible DOUEE for every disaster(excluding earthquake) which ever occurred	Yes=100each DOUEE; No=(-)150 each DOUEE missing
	Has government concieved, prepared and notified the minimum standard action plan for each responsible DOUEE for every such incident in which 10(or more) people died- with objectives to prevent in future	Yes=100each DOUEE; No=(-)150 each DOUEE missing
	Does government owns the action plan confirming that any reoccurence of such incident shall be considered as the failure of the government	Yes=100; No=(-)150
	Does government owns the action plan confirming that any reoccurence of such incident shall be considered as the failure of concerned GPP naming the government position	Yes=100; No=(-)150
Transpare-ncy	Does government notify the GPP responsible to act FIRST on occurrence of a designated problem/crisis	Yes=100; No=(-)150

	Does government notify the maximum permissible time in which the GPP has to act	Yes=100; No=(-)150
	Does government notify the ladder model of each problem/crisis mentioning at least four steps from start to finish, which the GPP would take mentioning time period between consecutive steps	Yes=100; No=(-)150
	Does government/GPP notify the actions taken for dealing with a problem/crisis, with DAVM presentations	Yes=100; No=(-)150
	Has government instituted rules/laws that every achievement and problem solving claims must be substantiated by presenting DAVM data/statistics/curves/facts	Yes=100; No=(-)200
	Has government instituted rules/laws that non-presentation of DAVM data/facts/statistics alongwith every achievement and problem solving claims must be considered as 'fudging'	Yes=100; No=(-)200
	Has government instituted rules/laws that non-presentation of DAVM data/facts/statistics alongwith every achievement and problem solving claims by a GPP must be considered as 'indispline' and 'cheating'	Yes=100; No=(-)250
Response time	Have government notified different DOUEE responsible for different kind of disasters	Yes=100; No=(-)150
	Have government notified Responsiblities of different GPP in each DOUEE	Yes=100; No=(-)150
	Have government notified accountabilities of different GPP in each DOUEE for failure	Yes=100; No=(-)150
	Have government notified the criteria to measure success/failure for each different problems/disasters in terms of time taken to eliminate the particular occurrence of disaster, accident, ……….	Yes=100; No=(-)150
	Have government notified the criteria to measure success/failure for each different problems/disasters in terms of monetary loss before elimination of the particular occurrence	Yes=100; No=(-)150
	Have government notified the criteria to measure success/failure for each different problems/disasters in terms of human-life loss before elimination of the particular occurrence	Yes=100; No=(-)150
	Have government notified the criteria to measure success/failure for each different problems/disasters in terms of any other loss before elimination of the particular occurrence	Yes=100; No=(-)150
RAA1	Does government notify the GPP, amongst top four level, who would be considered responsible for different type of disasters(excluding earthquake)	Yes=100; No=(-)150
	Does government notify the GPP, amongst top four level, who would be considered responsible for reoccurence of problems/crisis in same unit region within one year	Yes=100; No=(-)200
	Have government notified the criteria to measure success/failure for each different problems/disasters in terms of time taken to eliminate	Yes=100; No=(-)150
	Have government notified that government/GPP failure shall be accepted for not having controlled problem/crisis in terms of and stipulating the human life loss occurred	Yes=100; No=(-)150

	Have government notified that Government/GPP failure shall be accepted by HOG/MOG for not having controlled problem/crisis in terms of human life loss occurred beyond/exceeding the notified period of elimination	Yes=100; No=(-)150
	Have government notified that Government/GPP failure shall be accepted by HOG/MOG for not having controlled problem/crisis in terms of human life loss occurred beyond the notified period of elimination and responsible GPP shall be announced and notified	Yes=100; No=(-)200
methods	Has government notified/instituted laws/rules that every problem solving related to national/regional/international border must be presented anongwith 'proper validated MAP' related to the problem and/or problem solving	Yes=100; No=(-)200
Public services	Has government instituted and notified the laws that the public services, naming the services, affordable by average citizen and high quality, are the foremost responsibility of the government	Yes=100; No=(-)250
	Has government instituted and notified the laws and rules assigning responsibility of MOG and DH for providing affordable high quality public services to the people	Yes=100; No=(-)250
	Has government notified the standards to which different public services would conform to	Yes=100; No=(-)200
	Has government notified the public domain to register complaints and people's feedback/comments when the complaints have been attended	Yes=100; No=(-)150
Difficult regions	Are there cases of crisis/disasters/accidents killing 10 people in an incident or 25 in an year (DA1) in difficult regions like hills/dense forests/remote desert areas	Yes=100; No=(-)150
	After occurrence of a disaster/accident, does MGG at top two levels and DH affirm and notify that all measures taken to prevent any reoccurence in future in the region	Yes=100; No=(-)150
	Are there cases of reoccurence of disaster/accidents DA1 within five years from occurrence of previous DA1 (case1) in same region/state	Yes=(-)150
	Are there cases of reoccurence of disaster/accidents DA1 within five years from occurrence of previous DA1 (case1) in same unit region/district	Yes=(-)200
	Is there repeated case of land-slide, avlanche, flash flood in hills in same unit-region equivalent to DA1 in a period of four years (case2)	Yes=(-)200
	Is there repeated case of land-slide, avlanche, flash flood in hills at same location equivalent to DA1, within a period of four years(case2)	Yes=(-)400
	Is there repeated case of forest-fire in same region effecting 2SqKm or more, or within 5Km, in a period of any four years(case3)	Yes=(-)150

	Is there repeated case of landslide, avlanche, flash flood in hills in same unit region/district causing >5people dead and/or damaging livlihood/house etc in an area of 1sqKm- reoccurence within four years	Yes=(-)150
	Has government instituted laws/rules/procedures to accept the occurrence of Case1,2,3,4,5 as failure of government and notify the GPP responsible for failure	
GOSIP	Has government instituted laws and rules that DAVM objectives and goals must be notified alongwith GOSIP and it is 'proposal of cheating' without it	Yes=100; No=(-)200
	Does government notify the verifiable and measurable, DAVM achievements/obtained benefits; of all current GOSIP every six months	Yes=100; No=(-)200
	Does government notify the responsible GPP for failures, with facts	Yes=100; No=(-)200
	Does government notify the 'government/GPP' analytical intelligence level and vector intelligence level of the GOSIP owner	Yes=100; No=(-)200
Distress	Is there repeated case of people dieing from hunger or thurst or bad quality food items in same region or within 10Km; in a period of four years(caseA)	Yes=(-)150 each case
	Is there repeated case of people dieing from hot or cold weather in same region or within 5Km; in a period of four years(caseB)	Yes=(-)150 each case
	Is there case of people dieing from same disease in the same region/unit region in any period of 4years (caseC)	Yes=(-)150
	Has government instituted laws/rules that Case A,B,C are the failures of GPP earmarking the name and position of GPP responsible	Yes=100; No=(-)150
Authority vs Service	Are there cases of demolition of houses by the government as unauthorized/illegal/unapproved	Yes=(-)150
	Does government institute the standards meeting with best services for each public service and notify	Yes=100; No=(-)150
	Does government institute/enforce procedures for assessment/verification and validation of the efficacy of each public service	Yes=100; No= (-)150each service missing
RAA2	Is provision of CRAG available to common people	Yes=100; No=(-)250
	Are laws and rules instituted by government to enable justice system to deliver decisions on major crimes within 18months	Yes=100; No=(-)250
	Is provision of VEDAM made to decide the non-major road accident cases within 2 days	Yes=100; No=(-)200
	Is provision of VEDAM made to decide the road disobedience of rules cases within 2 hours	Yes=100; No=(-)200
	Does government presents account/list of AANC cases continuously on real time basis; updated everyday	Yes=100; No=(-)250

Does Madiak presents account/list of AANC cases continuously on real time basis; updated everyday	Yes=100; No=(-)250
Does government validate its achievements based upon AANC account/list everytime when presented	Yes=100; No=(-)250
Has government instituted law that all laws and rules must be made complete including role and accountability of enforcement unit/GPP	Yes=100; No=(-)250
Does government presents every year 'completeness verification' of laws and procedures related to citizen rights, threat to human life, GPP insincere behaviour, public services, major crimes, Corruption in government, madiak as citizen representative	Yes=100; No=(-)250
