	Does government promotes any kind of physical disfiguring, coloring done , as culture and heritage	Yes=(-)200
Slogans poems	does Government, HOG, MOG, OIG, PL presents its achievements as poem /song/ slogan or in DAVM achievements	DAVM=200; Non-DAVM= (-)250
	does Government, HOG, MOG, OIG, PL presents development, progress as poem instead or DAVM achievements	DAVM=100; Non-DAVM= (-)200
	does Government, HOG, MOG, OIG, PL presents social upgradations/reforms done as poem /song/ slogan or in DAVM achievements	DAVM=100; Non-DAVM= (-)200
	does Government, HOG, MOG, OIG, PL presents hope of being better tommorow as poem instead of DAVM achievements and projections	DAVM=100; Non-DAVM= (-)200
	does Government, HOG, MOG, OIG, PL presents poverty and scaricity as 'patriotism' with such slogans	Yes=(-)150; No=(-)100
	does Government, HOG, MOG, OIG, PL presents low CEAK level as 'patriotism' with such slogans	Yes=(-)150; No=(-)100

	does Government, HOG, MOG, OIG, PL presents poverty and scaricity as presentation of the nation with such slogans	Yes=(-)150; No=(-)100
	does Government, HOG, MOG, OIG, PL presents GPP as any mythological character which is being respected and prayed	Yes=(-)250;
	does Government, HOG, MOG, OIG, PL presents PL of other party/opponents as mythological character which is being condemned and disliked	Yes=(-)250;
	does Government, HOG, MOG, OIG, PL presents songs/poem/slogan to present GPP, PL as mythological character which is being respected and prayed	Yes=(-)250;
	does Government, HOG, MOG, OIG, PL presents songs/poem/slogan to present political party as mythological character which is being respected and prayed	Yes=(-)250;
	In elections, are DAVM achievements presented by political parties and candidates in public notifications OR slogans, nare, catch sentence, poems uttered/pronounced (non-DAVM)	DAVM=150; Non-DAVM= (-)200
	Are DAVM achievements presented by political leaders, government leaders in public notifications/meetings/rally OR slogans, nare, catch phrase, poems uttered/pronounced(non-DAVM)	DAVM=150; Non-DAVM= (-)200
addiction	are agriculture toxin products cultivated without linking to medicines production	Yes=(-)150; No=100
	opium, tobacco production controlled by government and DH with records on public domain	Yes=100; No= (-)150
	are cases of food item's adulteration, domestic liquer, country liquer reported	Yes=(-)150; No=100
	are cases of adulteration, domestic liquer , country liquer reported in the same region within any four years	Yes=(-)250; No=100
	Are coconut, jwar, barley, rice, fruits fermentation reported in towns/villages to produce product having 'hang over' effect	Yes=(-)150; No=100
	Are coconut, jwar, barley, rice, fruits fermentation reported in towns/villages to produce product having 'hang over' effect- reported for more than two years in same district/unit region	Yes=(-)150; No=100
	does government /DH certify that there are no cases of production of local country liquer in the region for last four years	Yes=100; No= (-)200
	Does government/DH certify that coconut, jwar, barley, rice, fruits fermentation not being done in towns/villages to produce product having 'hang over' effect	Yes=100; No= (-)200
	Do the people behaviour shows introvert approach	Yes=(-)100

	Do the people behaviour shows reluctance to the mixing up with outsiders	Yes=(-)100
	Does government /DH carry out study and certify that the behaviour of the people and social practices don't propagate any short time or long time addiction	Yes=100; No=(-)200
	The district/unit region divided into minimum 10 sub-units. What is CEAK level of each sub-units/sub-district, notified by government every six months with details of citizen	Yes=100; No=(-)200
	Madiak-Media presenting programmes related to social evils and clearly displaying why it is being presented	Yes=100; No=(-)200
	Media presenting religeous programmes and its score from Media chapter	NN,N=(-)200; P,PP=100
Mythology	madiak make presentations based upon mythology for.....% of the total time on TV/Video madiak	<2%=0; >2%=(-)100 each % more
	madiak presents mythological characters as 'role model' in present time without specifically mentioning the linkage/rational about the special attributes and relevance to people/society	Yes=(-)150;
	madiak presents mythological characters/ events without mentioning about today's physically existing evidences available to coroborate	Yes=(-)150;
	madiak presents analysis regarding mythological presentations made pertaining to different religions equally in time/space and emphasis	Yes=100; No=(-)150
	madiak presents mythology just as a story but artificially building up effects with get ups, dialogues, superhuman acts presentation uplifted with technology,	Yes=(-)100; No=100
	madiak presents reasoning and logic regarding any message being conveyed through its mythological presentation	Yes=100; No=(-)150
	madiak makes specific mention at the begining what message is intended to be conveyed and confirm at the end as to how it has been achieved in the presentation of mythology	Yes=100; No=(-)150
CEAK	Government assess CEAK score of each district and notify alongwith details of assessment methodology	Yes=100; No=(-)250
	Government assess CEAK score of each district and notify the extent of CEAK upliftment done yearwise during last four years	Yes=100; No=(-)250
	Government assess average citizen score of each district and notify alongwith details of assessment methodology	Yes=100; No=(-)250

Government assess average citizen score of each district and notify the extent of average citizen score upliftment done yearwise during last four years	Yes=100; No= (-)250
GPP/Government notify the government education services score/index for each district every six months interval	Yes=100; No= (-)250
GPP/Government notify the government health services score/index for each district every six months interval	Yes=100; No= (-)200
Government assess and notify the MADISM state assessment of Madiak every four months and notify	Yes=100; No= (-)200
Madiak assessing Government's sincerity index/score and notify every six months	Yes=100; No= (-)200
Madiak assessing Government's citizen authority index and notify every six months	Yes=100; No= (-)200
Madiak assessing '2Face Leader' score of HOG, all MOG, all OIG, PL top four levels; and notify	Yes=100; No= (-)200

VALUE OF ELECTIONS

What is value of elections for OIG	positive=400; 0 or negative= (-)500
What is value of elections for HOG	positive=400; 0 or negative= (-)500
Is value of an elections for HOG assessed and calculated and notified by Government every six months with details of assessment procedure, calculations	Yes=100; No= (-)250
Is value of an elections for MOG assessed and calculated and notified by Government every six months with details of assessment procedure, calculations	Yes=100; No= (-)200
Is value of an elections for OIG1 assessed and calculated and notified by Government every six months with details of assessment procedure, calculations	Yes=100; No= (-)400
Is value of an elections for OIG2 assessed and calculated and notified by Government every six months with details of assessment procedure, calculations	Yes=100; No= (-)200

SPEECH STATEMENT WORTH

Does justice system has an organ to evaluate the 'worth of speech of HOG, MOG, OIG' and notify with assessment procedure and methodology on public domain	

Does justice system has an organ to evaluate the 'worth of speech of ICE' and notify with assessment procedure and methodology on public domain

Does madiak/media, as TROP, has a notified unit to evaluate the 'worth of speech of ICE, HOG, MOG,OIG' and notify with assessment procedure and methodology on public domain

Does organ of 'justice system' furnish details that each speech made by HOG, MOG, OIG, from government platform or other public address, is evaluated and details placed on public domain

Does madiak/media unit furnishes details that each speech made by HOG, MOG, OIG, from government platform or other public address, is evaluated and details placed on public domain

DIRECT COMMUNICATION

	What is Direct communication-upward score of government	positive=400; 0 or negative= (-)500
	What is Direct communication-downward score of government	positive=400; 0 or negative= (-)500
	Is there a law/rule and procedure that GOSIP announced from Government PF only	Yes=100; No= (-)150
	Is there an announced public domain where all government informations and informations of each GPP publicly notified	Yes=200; No= (-)400
	Government policy Dissection; Government has notified the DAVM objectives of GOSIP	Yes=100; No= (-)150
	The achievable goals placed on timeline have been notified	Yes=100; No= (-)150
FOTAS	Government unit assessing its FOTAS value evey 3months and notifying alongwith procedure of measurement	Yes=100; No= (-)150
	The FOTAS of Government unit is zero-minus or positive	0-minus=(-)150

GOVERNMENT SINCERITY- EXPENDITURE PROPOSAL EVALUATION

SPHERES OF UNDEMOCRACY

Government policy decision DISECTION	Government policy making describe TSTS analysis to be done with a decision effecting citizen	Yes=100; No(-)150
	TSTS analysis done with each government policy and made public	Yes=100; No(-)150

Government policy making brings out the potential benefits to government in DAVM terms	Yes=100; No(-)150
Government policy making brings out the potential benefits to citizen as a whole in DAVM terms	Yes=100; No(-)150
Government policy making brings out the potential benefits to any specific group of people in DAVM terms	Yes=100; No(-)150
Government policy making does not brings out benefit to a specific group but it yields benefit to a particular group in reality	Yes=(-)100 each case
Objectives of policy decision/GOSIP mentioned in DAVM terms	Yes=100; No(-)150
objectives of policy as regards to benefits to nation detailed-DAVM or No/Non-DAVM	DAVM=100 ; Non-DAVM= (-)150
The results & outcome of similar policy/decision GOSIP of the past, last two GOSIP, analyzed and notified or not.	Yes=100; No(-)150
The results & outcome of similar policy/decision/GOSIP of the past analyzed in DAVM or Non-DAVM form	DAVM=100 ; Non-DAVM= (-)150
The results & outcome of similar policy/decision of the past analyzed in DAVM or Non-DAVM form from citizen side (that side for government)	DAVM=100 ; Non-DAVM= (-)150
If government presents the adverse results of last decision and evidence to have taken care of in current GOSIP policy proposal	Yes=100 ; No(-)150
If government presents the adverse of last decision and evidence to have taken care of in current GOSIP policy proposal evidenced with DAVM parameters	DAVM=100 ; Non-DAVM= (-)150
Is the declaration of government to citizen positive, asccertaining and assigning responsibility to MOG, Top MGG or superficial/vague in slogan-speech form	Owning responsibility=100 ; Superficial= (-)150
Has government notified Nation's resources (NOR) as : all natural resources like, land, ores, mines, coal, petroleum, water, air, space, forests etc.; Government treasure, government resources/property/assets etc.; any service making use of above with no recurring financial burden on the government but resulting continuous earnings to the occupier like advertisement space, space for wireless communication channels, madiak like TV channels, newspaper etc, parking lots; the 'let out assets' like highways, pipelines, energy sources, electricity, petroleum, natural gas, government companies, which are 'outsourced' by government to 'business domain' under any consideration and terms.	Yes ALL=200 ; No=(-)100 each missing
Has government declared that Nation's resources are under 'statutory ownership' of the nation and citizen and government/GPP are in the caretaker role and accountable for absolute transparency and selfless character	Yes=100 ; No=(-)150

Transactions	Has government /each HOG, MOG, OIG and MGG endorsed statutory commitment to use Nation's resources without any self interest	Yes=100 ; No=(-)150
	Has government notified the policy for use of nation's resources cofirming goals, objectives, transactions, consumptions, availability in DAVM terms that no self interest is possible	Yes=100 ; No=(-)150
	Has government notified the objectives, goals in DAVM terms assigned to business domain for releasing nation's resources	Yes=100 ; No=(-)150
	accountability to MOG and top MGG to exhibit absolute transparency in any transaction of nation's resources	Yes=100 ; No=(-)150
	Has government instituted laws and rules that government stands accountable to present/notify nation's resources transactions vis-a-vis results/goals achieved every three months on public domain	Yes=100 ; No=(-)150
	Has government notified the cost and volume/size of nation's resource while presenting is to business domain	Yes=100 ; No=(-)150 each not done
	Has government notified the cost of nation's resource while presenting is to non-government unit with clear analysis of quantities and unit cost and time frame and end use by the non-government unit	Yes=100 ; No=(-)150 each not done
FARNR	Government notify DAVM objectives and goals stipulated for self and for business domain in each GOSIP	Yes=100 ; No=(-)150
	% of GOSIP which were announced alongwith notifying DAVM Goals	100%=100; (-)10 each % less
	Government notify the laws and rules to be complied by GPP for assigning responsibilities to business domain	Yes=100 ; No=(-)250
	Government notify the laws and rules to be complied by business domain for assigning responsibilities regarding public services	Yes=100; No=(-)150 each not done
	Government notify the laws and rules to be complied by GPP for handing over nation's resources to business domain	Yes=100 ; No=(-)250
	Government notify the laws and rules to be complied by business domain for taking over nation's resources	Yes=100 ; No=(-)250
	Does GPP validate and evidence that the handing over of nation's resources/ government powers done with ensuring the requisite competition of minimum five …… companies	Yes=100 ; No=(-)200
	Does GPP validate and evidence that the handing over of nation's resources/ government powers done with ensuring government company working in 'role model' frame with best quality and minimum cost of products	Yes=100 ; No=(-)200

Does GPP validate and evidence that the handing over of nation's resources/ government powers done with the rule/regulation enforced regarding compliance of POMIE and LPB by business domain	Yes=100 ; No=(-)200
Does GPP validate and evidence that the handing over of assets handed over to business domain were not created using nation's resources	Yes=100 ; No=(-)200
Has the government instituted laws and rules assigning responsibilities to HOG, MOG, Top MGG for compliance of FARNR norms for every GOSIP handing over nation's resources to business domain for DOSG fields	Yes=100 each case ; No=(-)200 each missing
Has government instituted laws and rules that the reasons for selecting business domain for public services are notified explaining why government/GPP would not do it	Yes=100 ; No=(-)200
Has government instituted laws and rules that the reasons for selecting business domain for any partnership are notified explaining why government/GPP can not do it	Yes=100 ; No=(-)200
Has government instituted laws and rules that the reasons for selecting business domain for any contract/work/project are notified explaining why government/GPP can not do it	Yes=100 ; No=(-)200

Government actions

Is government using the resources by itself or employed/deployed non-government units	Itself=100 ; others=(-)150
Is government using the resources by itself and produce DAVM analysis how it would help economy	Yes=100 ; No(-)150
Is government using the resources by deploying non-government units and produce DAVM analysis how it would help economy	Yes=100 ; No(-)200
If it is long term(>6months) extraction of benefits by government or Non-government; is a regular analysis made public by government every 3months, how it is helping economy in DAVM form	Yes=100 ; No=(-)150
If government using the resources by itself is it notified to be the best by presenting the analysis in DAVM	Yes=100 ; No=(-)150
If government using non-government agenices for using resources- If yes-Is the government transaction cost notified	Yes=100 ; No=(-)150
If government using non-government agenices for using resources, the non-government agencies picked up in transparent/ open cometitive way	Yes=100 ; No=(-)150
If public notification done with scope & government transaction cost for selection of non-government agencies	Yes=100 ; No=(-)150
If benefits to government notified with decision of selecting non-government agency vis-à-vis using resources government itself	Yes=100 ; No=(-)150

If benefits to the Non- government agency worked out and made public	Yes=100 ; No=(-)150
Are laws instituted for Government/GPP statutory declaration on public domain that none of MOG, HOG, ICE, OIG, MMG and their family members are direct beneficiaries (having purchased assets) fromgovernment real estate scheme	Yes=100; No=(-)250
Are laws instituted for Government/GPP statutory declaration on public domain that none of MOG, HOG, ICE,OIG, MMG are indirect beneficiaries (having purchased assets indirectly or got money value based benefits by using government authority for undue benefit to beneficiaries of scheme) from the scheme	Yes=100; No=(-)250
Has government instituted laws and rules that the responsibility of notifying goals jointly signed with business domain remains with GPP/HOG/MOG/OIG/MGG for GOSIP even for schemes/projects under execution with business domain	Yes=100; No=(-)250
Has government instituted laws and rules that the responsibility of achieving notified goals remains with GPP/HOG/MOG/OIG/MGG even for GOSIP under execution with business domain	Yes=100; No=(-)250
Are laws instituted that builders/developer company must confirm and notify no direct- indirect link with any GPP/HOG/MOG/OIG/MGG	Yes=100; No=(-)150

Selfish benefit (factor)

Any sharp increase any year compared to preceding year, (more than the industrial growth) in the business using land; number of times during last 10 years	
Real estate- Residence/housing contruction ->4times	Yes=(-)100
Commercial/shopping complex/offices construction>4times	Yes=(-)100
Industrial Construction >4times	Yes=(-)100
Is there any Schemes of providing subsidy on land for commercial/industrial construction	Yes=(-)100
If any subsidy granted on land for commercial/industrial construction to private/ non-government people, it is mandatory for GPP to present DAVM analysis for benefit to nation and citizen and made public	Yes=100; No=(-)200
Does government/GPP notify cost split analysis of such schemeswith subsidy, with details of land cost, construction cost, material cost, labour cost and selling price	Yes=50; No= (-)100

Vicious circle of undemocracy

Is cost of a particular nation's resource is increasing despite inflation during last four years	Yes=(-)150; No=50

	Is cost of a particular nation's resource is increasing more than the growth rate of economy during last five years	Yes=(-)150; No=50
		Yes=(-)20; No=20
	If purchaser need to take loan for purchase of assets	Yes=(-)200; No=50
	If loan is 40% of the cost of assets being purchased or more	(-)10 for each % of cost >40%
	If loan is 25% to 40% of the cost of assets being purchased or more.	(-)5 for each % of cost >25%
	If repayment is 15% of monthly income or more for 36 month period	More=(-)150; Less=100
	Government bad decisions: Any project remained incomplete after 24 months, Number of projects x amount blocked- % of cost of the completed & occupied schemes-	>10%= (-)100each 10% ; <10%=0
Housing	For real estate, All constructed units physically occupied within 6 months or not after Ist occupant moves in	Yes=100 ; No (-)200
	Any units remained unconstructed against original projection six months after Ist occupant moves in	Nil-100, <10%=0, >10%=(-)200
	Number of units incomplete or unoccupied after Ist occupant moves in	<10%=50; 10-15%=0; >15%=(-)150
	Does government, after obtaining from builder, notify on public domain regarding schedule of completion of any real estate scheme	Yes=100 ; No=(-)150
	Has government instituted laws and rules that every real estate project/scheme must be placed on government public domain with details of project and detals of the owners	Yes=100 ; No=(-)150
	Does government declare and notify DAVM progress figures of each government real estate projects every 3months	Yes=100 ; No=(-)150
	Does government declare and notify DAVM progress figures of each Non-government real estate projects every 4months	Yes=100 ; No=(-)250
	Government notify the government assessed cost of land, cost of material, cost of labour and profit for every real estate project in different regions/unit regions	Yes=100 ; No=(-)250
	Government notify the builders notified cost of land, cost of material, cost of labour and profit for every real estate project in different regions/unit regions	Yes=100 ; No=(-)250

Government made regulation for builder to publish cost of construction DAVM form vis-a-vis money to be taken from people to evidence the profit margin	Yes=100 ; No=(-)200
Government assess and notify % of schemes in which builder furnishing detailed break up of costing on public domain	100%=100; <100%=(-)10 each% less
Does government brings out that a builder not furnishing/notifying costing details/breakup CL, CC, CB, PR is considered as cheating as per government regulations	Yes=100 ; No=(-)150

Centre of development

Presuming at least 50% population(=0.5*population=Ph) availing high level livlihood HDR (PP level), number of metropolitan cities= Ph/5million=say C1

Number of cities with population of >0.5% (metropolitan city) of country's population=C2

Ratio C1/C2	one=150; 1 to 1.2=0; >1.2=(-)100 each 0.2 higher
Number of cities amongst C2 which exhibit CMOGE maps for at least 70% of area with HDR (PP) public amenities say=C3	100%=100; less=(-)150 each one less
Ratio C3/C2	one=100; <one=(-)100 each 0.1 less
Are metropolitan cities Cm, with certification by government for having PP level of public services, equal to the number of regions;	Yes=100; No=(-)150

Total value of funds allotted against GOSIP in metro cities say M1

Total value of funds allotted against GOSIP which are spread over in metropolitan city and surrounding area/zone/region say M2

Total value of funds allotted against transportation/travel/tourism projects-GOSIP located in non-metro area/zone but for providing connectivity or business or trade benefits to metro city say M3

Total value of funds allotted against GOSIP in metro cities say Mm=M1+M2+M3

% of Mm compared to the total allotted funds over the nation= % of area of metro cities to the total area of nation	Yes=100; No= (-)200

Total GOSIP value of say Mm, and Total population of metropolitan city area (say P1); Ratio Mm/P1=Funds per person F1

	Is F1 rising compared to preceding year; number of times during last 10 years	(-)150 each time
	Total GOSIP value of GOSIP in non-metro cities (say M2) and total population of non-metro cities (say P2); Ratio M2/P2=Funds per person F2	
	Is F2 rising less than two times, compared to preceding years; number of times during last 10 years	(-)150 each time
	Is ratio of F1/F2 rising compared to preceding years; number of times during last 10 years	(-)150 each time
	Total GOSIP value for agriculture, irrigation, food grain preservation say Ma	
	Is ratio of Mm/Ma in the ratio of land areas or rising compared to preceding years; number of times during last 10 years	rising=(-)100 each time
	Increase in number of PP marked metropolitan cities during last 20 years	150 each one
	Number of new cities with PP status public services developed of above size during last 20 years isolated by at least 5%(km) of the maximum dimension (in Km) of the country from nearest such city	150 each one
	If less than 25 % of the previous number of cities, than government is creating centre of development	
	Is population of metropolitan cities rising >2% compared to preceding year; number of times during last 10 years	(-)100 each time
	Is the area in metropolitan cities not provided with PP status public services is increasing >2% compared to preceding year; number of times during last 10 years	(-)200 each time
	Average Increase in population of metropolitan town during last 10 years- >2% per year (COD)	Yes=(-)150
	% of population increase because of migration during last 5years (people settling down not belonging to the city/town originally for >50years)	<2%=0; >2%=(-)100 each % higher
	Number of people migrated from distance more than 100Km, 5% or more out of total people migrated-	<5%=0; >5%=(-)100
	Any crisis of- less water supply, less electricity, traffic congestion, less sewage, less drainage, low sanitation, streets<20' wide Ineffective; garbage disposal (each of these would add (-) if the property development happening where these exists)	
→	Does government propose housing development where there are	
→	Low drainage- No covered drainage system for 100% preoccupied area, any water logging, any overflowing drainage	Yes=(-)100

→	Low sewerage system- No covered/underground sewage disposal network in 100% preoccupied area,any human waste disposal in open ground, any human waste disposal in open drains	Yes=(-)100
→	Less water supply-100% preoccupied area not with treated water supply taps	Yes=(-)100
→	Less electricity-any power cut more than 15minutes in a week	Yes=(-)100
→	less energy sources availability-any pre-booking required for cooking gas, petroleum products, fuel oil,	Yes=(-)100
→	Ineffective garbage disposal-visible garbage at any public place	Yes=(-)100
→	Schools in 4Km circle not housing all students	Yes=(-)100
→	Hospitals in 5Km circle not housing 5% population	Yes=(-)100
→	Average speed of travel over any 10Km is <40KMPH in private vehicle	Yes=(-)100
→	Average speed of travel over any 10Km is <25KMPH in government transport system	Yes=(-)100
→	There are more than one obstruction(traffic signal, barrier, ditch more than 1inch deep, uprise not more than 1inch, on road in any 1Km road length	Yes=(-)100
	Less supply of food stuff-any booking required to get any food item, anytime second visit to get same food stuff in 15days, any shortage in the area of vegetables,	Yes=(-)100

Sale of possessed Authority

Government has Authority to grab land resources under the laws	Yes=(-)100; No=50
It there is a city/ sub-city/housing complex for housing 0.2million people under development not more than 35 Km away from nearest metropolitan city,	Yes=(-)250 each case Yes=20; No=(-)20
Government announcing land allottment schemes with earmarking/notifying DAVM benefits to government	Yes=100; No=(-)150
Government announcing housing Property development of large quantum, for 0.2million people or more, on land presently used for agriculture	Yes=(-)150 each occassion
Government announcing housing Property development of large quantum, for 0.2million people or more, on land presently used for agriculture projecting as social service or public welfare	Yes=(-)150 each occassion
Government announcing industrial property development of large quantum, for 0.2million people or more, on land presently used for agriculture	Yes=(-)150 each occassion
Government announcing housing Property development of large quantum, for 0.2million people or more, on land presently used for forests	Yes=(-)150 each occassion

Government announcing industrial Property development on land presently used for forests	Yes=(-)150 each occassion
Government announced base cost (regulated cost) of property development in DAVM for diferent zones alongwith assessment basis	Yes=100; No= (-)150
Is there a law making it compulsory for government to announce the regulated cost	Yes=100; No= (-)150
Is it evidenced by builder that government announced DAVM cost (regulated cost) is criteria of every development scheme to decide their cost	Yes=100; No= (-)150
Are the procedures notified on public domain regarding approval of land, approval of plan, norms for plan layout, construction inspections, construction approval	Yes=100; No= (-)150
Does government notify that it is responsibility of GPP to keep vigil regarding compliance of norms/rules and GPP would act and keep vigilant of its own	Yes=100; No= (-)250
Does government notify that it is responsibility of GPP to keep vigil regarding compliance of norms/rules and no action can be taken against builder if GPP failed to serve notice in time to stop irregular happening	Yes=100; No= (-)250
Government announcing Property development of large quantum projecting as social service or public welfare at cost >60% of market cost	Yes=(-)100 each case
Government agencies for land related development furnishing DAVM cost/ break Cost of land, Cost of materials with material details, cost of labour and profit	Yes=100 ; No= (-)200 each case
Cost of construction break up with land cost, different material cost, labour cost and profit published by the builders for land related development	Yes=100 ; No= (-)200 each case
Land taken over by government in 10years for development of housing(L1) in the area in the surrounding circle of 20Km from metropolitan city boundaries-% area compared to metro-city area	<10%=0; >10%=(-)50 each % more 100%=150;
% of L1 area where construction completed and premisis occupied fully within 4 years after taken over	(-)100 for each 10%less
Any housing scheme approved by GPP reg housing development where there are	
• Low drainage- No covered drainage system for 100% preoccupied area, any water logging, any overflowing drainage	Yes=(-)100
• Low sewerage system- No covered/underground sewage disposal network in 100% preoccupied area,any human waste disposal in open ground, any human waste disposal in open drains	Yes=(-)100

●	Less water supply-100% preoccupied area not with treated water supply taps	Yes=(-)100
●	Less electricity-any power cut more than 15minutes in a week	Yes=(-)100
●	less energy sources availability-any pre-booking required for cooking gas, petroleum products, fuel oil,	Yes=(-)100
●	Ineffective garbage disposal-visible garbage at any public place	Yes=(-)100
●	Schools in 4Km circle not housing all students	Yes=(-)100
●	Hospitals in 5Km circle not housing 5% population	Yes=(-)100
●	Average speed of travel over any 10Km is <40KMPH in private vehicle	Yes=(-)100
●	Average speed of travel over any 10Km is <25KMPH in government transport system	Yes=(-)100
●	There are more than one obstruction(traffic signal, barrier, ditch more than 1inch deep, uprise not more than 1inch, on road in any 1Km road length	Yes=(-)100
●	Less supply of food stuff-any booking required to get any essential foodgrains item, anytime second visit to get same foodgrains stuff in 15days, any shortage in the area of vegetables, cooking oil	Yes=(-)100
	Are there laws and rules that the list of allottees, beneficiaries, purchasers are notified by each government/ non-government developers must be notified on public domain before starting construction	Yes=100; No=(-)200
	% of non-government developer/builder compared to total projects, for which the list of allottees, beneficiaries, purchasers not notified with their details before starting construction	(-)100 each case
	Are there laws and rules that the builder/developer shall be solely responsible to ascertain identity of each allottee, purchaser and certify	Yes=100; No=(-)200
	% of schemes/projects compared to total, in which the builder/developer did not certify and notified the identity of the purchaser, allottee, certified on public domain	(-)50 each % not certified
	Are there laws and rules that the builder/developer shall be solely responsible to ascertain the correctness/legitimacy of payments of each allottee, purchaser	Yes=100; No=(-)200
	% of schemes/projects compared to total, in which the builder/developer did not certify and notified thelegitimacy of payments of the purchaser, allottee, notified on public domain	(-)50 each % not certified
	Beneficiaries of real estate schemes selected through open lottery system/ recognized Random selection method with on the spot declaration of selected people	Yes=100; No=(-)150
	Beneficiaries of the scheme are announced and put on public domain within 10days of transaction	Yes=100; No=(-)150

Uneven development index

	Escalation in the Cost of property asset vis-a-vis inflation -published every six months by the government for metropolitan city area vis-a-vis area in surrounding 20Km from metro-city boundary yes/no	Yes=100; No=(-)150
	Escalation in the Cost of property asset vis-a-vis inflation -published every six months by the government for metropolitan city area and area in surrounding 20Km from metro-city boundary	<Inflation=100; >Inflation upto 10% more over inflation=(-)150; >Inflation upto more than 10% more over inflation=(-)250
	Does government notify the Cost differential between market value and assessed construction cost by non government and non-construction business analytics agency	Yes=100; No=(-)150
	Does non-government developer/builder notify the Cost differential between market value and assessed construction cost by non government and non-construction business agency	Yes=100; No=(-)150
	Is any registered expert's panel or government approved agency recognized/available to notify Cost differential between market value and assessed construction cost	Yes=100; No=(-)200
Money lending	Government has policy guidelines for providing funding /loans to people for buying housing assets-	Yes=(-)150
	Government has policy guidelines for providing funding /loans to people for buying housing assets- - % of total asset cost	<40%=50; 40to70%= (-)100; >70%= (-)150
	% of people availing loan for housing	<40%=50; 40to70%= (-)100; >70%= (-)200each 10% higher
	government providing relaxation on taxation and government levies on investment in land property (this provides an excuse to government to keep property cost high)	Yes=(-)150
	Has government provided schemes to benefit business related use of government assets by non-government entity	Yes=(-)250
	Has government provided schemes to benefit business related use of nation's resources by non-government entity	Yes=(-)250

Government Specify Average size of first seven numbers (Total population/ cities-Area per 10000 Population, total area, number of vehicles, total roads area, total water consumption, total petroleum consumption, total electricity consumption, total cooking gas consumption	Yes=100; No= (-) 100 each aspect
Increase in size of metropolitan cities individually Area per 10000 Population, total area, number of vehicles, total roads area, total water consumption, total petroleum consumption, total electricity consumption, total cooking gas consumption, total sewage pipe during last 15 years If > 15%-government creating centre of development	<15%=100; >15%=(-)200
Specify Average size of first seven cities Industrial output at state level, yearwise last 25 years	Yes=100; No= (-)200
If citizen purchasing cost increasing more than the average increase in citizen earnings Difference of increase in citizen purchasing cost vs average increase in citizen earnings Schemes providing benefits of taxation, low government selling price but not within reach of common citizen	

FAME GAME

Basic prerequisite	Is political party has rules that individuals can not be promoted for success	Yes=100; No=(-)150
	Has government instituted rules that an individual HOG, MOG, OIG can not be promoted for any government decision	Yes=100; No=(-)150
	Has government instituted rules that only political people HOG, MOG, OIG can not be promoted for any government decision	Yes=100; No=(-)150
	Does law/rule exists or Has government instituted rules that minimum MGG who structured the proposal, top MGG who studied and accepted, top MGG responsible for implementation to obtain envisaged goals, MOG, HOG shall be projected and notified for any government decision	Yes=100; No=(-)200
Confidence vs Ego	The GPP presents DAVM goals on timeline for GOSIP representing high confidence	Yes=100; No=(-)150
	GPP presents DAVM goals and envisaged benefits and notified on public domain representing high Confidence	Yes=100; No=(-)150
	The GPP does not present DAVM goals on timeline representing high ego for not accepting ownership of decision and no RAA to realize the benefits/goals	Yes=(-)200
	The GPP does not present DAVM goals consistently for more than two years presenting 'don't care' Ego	Yes=(-) 200each year
Service orientation	The HOG, MOG, OIG notify statutary undertaking that they would remain in the mode of a 'service provider to the citizen and nation'	Yes=100; No=(-)150
	The HOG,MOG,OIG notify its undertaking that to evidence being in service orientation, it would notify the 'every GOSIP and proposal for consuming nation's resources' with DAVM goals on time line	Yes=100; No=(-)150
	The HOG,MOG,OIG notify its undertaking that to evidence being in service orientation, it would notify the envisaged benefits from 'every GOSIP and proposal for consuming nation's resources' in DAVM terms on time line	Yes=100; No=(-)150

Laws for service orientation	Do the laws/rules specify that GPL must present DAVM objectives/goals	Yes=100; No=(-)150
	Do the laws/rules specify that GPL must notify DAVM objectives/goals on public domain	Yes=100; No=(-)150
	Does GPL projects its image as an intelligent person and notify its education level	Yes=100; No=(-)150
	Does GPL projects its image as an intelligent person and notify its non-government professional achievements	Yes=100; No=(-)150
	Does GPL projects its image as an intelligent person and notify its analytical intelligence base	Yes=100; No=(-)150
	Does GPL projects its image that its education, intelligence and professional abilities are helping him/her in taking correct government decisions	Yes=100; No=(-)150
	Does Government projects that education, intelligence and professional abilities of GPL are helping Government in taking correct government decisions	Yes=100; No=(-)250
Myth factor		
	Does government assess and notify the myth factor of each HOG, MOG, OIG, PL (top two levels) every two months and notify with details	Yes=100; No=(-)250
	Do the GPL presents DAVM achievements on timeline to confirm the orientation of a service provider	Yes=100; No=(-)250
	State of HOG 'myth factor'	NN,N=(-)200; Z=(-)100; P=100, PP=150
	State of each MOG 'myth factor' notified and % of MOG with NN or N state	>40%=(-)200; <40%=10 each % less
	Does PL top two levels possess high myth factor	Yes=100; No=(-)150
	HOG attended rallies consuming 10000 Man hours in any one year	Yes=(-)150; No=100
	MOG attended rallies consuming 5000 man hours in any one year	Yes=(-)150; No=100
	Are there publicity in madiak consuming government's resources from HOG, MOG, OIG regarding 'best wishes' on some religeous occasion/festival	Yes=(-)150; No=100

	HOG,MOG,OIG,PL	
MADISM	HOG achievements presented in slogan/literary forms by madiak as 'superior' performance	Yes=(-)150; No=100
	MOG achievements presented in slogan/literary forms by madiak as 'superior' performance	Yes=(-)150; No=100
	Use of Maha, supreme, great work/act, anokha, pahela, big, major great for actions of HOG, MOG for anything which occurred in the past also	Yes=(-)150; No=100
	Use of Maha, supreme, great work/act, anokha, pahela, big, major great for actions of HOG, MOG for anything which did not yield results which never occurred in the past	Yes=(-)150; No=100
	Madiak stating HOG, MOG, OIG, PL as God, God-like, mythological character, hero of tales, ficticios super person	Yes=(-)250;
Hype factor	Government resources/ money and deployment of MGG consumed for publicity of the government on video/audio/newspaper/magzines etc -if high or low compared to last year/same period	high=(-)250;
	Government resources money and deployment of MGG consumed for publicity of the HOG on video/audio/newspaper/magzines etc -if high or low compared to last year/same period	high=(-)250;
	Government resources money and deployment of MGG consumed for publicity of the MOG on video/audio/newspaper/magzines etc -if high or low compared to last year/same period	high=(-)100;
	Number of notifications of any government units showing photo/message of HOG, MOG	(-)100 each case
	Number of advertisements of any government units showing photo/message of HOG, MOG	(-)150 each case

Team or individual	Does government confirm and notify that the 'government decision/GOSIP is because of the contribution of …..HOG,……MOG……MGG (names/position of all)	Yes=100; No=(-)150
	Any MOG insisting that the decisions pertaining to his/her unit shall be announced by HOG or other MOG or PL	Yes=(-)150 each case
	Any OIG insisting that the decisions pertaining to his/her unit shall be announced by HOG or other MOG or PLthat the decisions pertaining to his/her unit shall be announced by HOG or other MOG or PL	Yes=(-)150 each case
	Any MGG insisting that the decisions pertaining to his/her unit shall be announced by HOG or other MOG,OIG or PL that the decisions pertaining to his/her unit shall be announced by HOG or other MOG or PL	Yes=(-)150 each case
Laws-one unit government	Is there a law that government resources can only be consumed for promoting 'Government' as one and complete unit	Yes=100; No=(-)150
	Does the law confirm that government resources cannot be consumed for promotion of individual GPP-HOG, MOG, OIG	Yes=100; No=(-)150
	Does the law confirm that government resources cannot be consumed for promotion of a PL	Yes=100; No=(-)250

EMERGENCE OF 2FACE LEADER

2FL=Two face Leader; DAVM=Defined,accessible,verifiable, measurable;
GPL=Government people and political leader; MS=Master slave governance;
MADISM=Master's drudge inapt selfish madiak/media

MOG, OIG, MMG decisions permitting larger distributed benefits/development to all citizens(or not) is detailed alongwith decision	Yes=40; No=(-)50
MOG, OIG, MMG decisions permitting larger distributed benefits/development of all regions or not- is detailed alongwith decision	Yes=40; No=(-)50
Any incident of MOG, OIG, MMG creating law and order problem exhibiting unequal treatment to different citizen	Yes=(-)50 each incident; No=50
Number of times unsay/ reversed his/her statement	<2times=(-)40 each time; >2times= (-)100+(-)75 each times
Number of times expressed sorry for his/her statements	<2times=(-)50 each time; >2=(-)100+ (-)100 each time
Presents achievements whenever and wherever pronounced, in DAVM form or not	Yes=50; No= (-)50 each announcements/declarations
Demonstrate schemes and proposals that all precautions taken to prevent fradulent flow of resources for self benefit of any individual	yes=75 each proposal; (-)100 each proposal
Presents certification that all precautions taken to prevent fradulent flow of resources for self benefit of any individual	yes=75 each proposal; (-)100 each proposal
Presents DAVM review of progress and cost borne by government every six months or less	Yes=50 eachcase; No=(-)70 each case
Attends people in constituency	
Number of communal unrest in the region/constituency of GPL effecting 100 persons or more during the period occupying government position	(-)150 each;

	Number of communal unrest in the region/constituency of GPL causing loss of property of the people more that Rs10000/= total	(-)150 each;
	Number of communal unrest in the region/constituency of GPL causing loss of life with people killed	(-)150 each;
	How fast the GPL reacted and publicly condemned it	Within 6hrs=100; later=(-)100 each 6 hrs
	How fast the GPL reached the site and discussed with the police officials when GPL was within 200 Km	Within 24hrs=100; later=(-)100 each 12hrs
	Did the communal riots continue for more than two days and GPL did not reach the site when within 200Km	Yes=(-)150
	Did the GPL notified that the riots shall end and controlled by police within 48 hours after breaking out	Yes=100; No=(-)200
	Did GPL not issue any statement condemning the riots and also did not contact the police authorities	Yes=(-)150
	Did police officials or GPL self, bring out the suggestion/advise/guidance imparted by GPL; notifying within 12 hours the same received	Yes=150
	Total period for which the riots continued with people getting killed	(-)200 each day
	Did the GPL found engaged in the roits actively	Yes=(-)500
Speech/statement	Does the HOG, MOG,OIG assess and notify the speech and statement score/index/rating of its own address delivered every month	Yes=100; No=(-)150
	Does the HOG, MOG,OIG assess and notify the action plan to uplift if the score is low	Yes=100; No=(-)150
	Does the HOG, MOG,OIG ask the madiak to assess and notify the speech and statement score/index/rating of its own address delivered every month basis	Yes=100; No=(-)150
	Does the madiak assess and notify every month, the speech and statement score/index/rating of HOG,MOG,OIG based upon the madiak coverage done by it	Yes=100; No=(-)150

Myth factor		
	Do the madiak assess and notify every month the myth factor of the leader based upon its madiak coverage during the period	Yes=100; No=(-)150
	Do the HOG, MOG, OIG Leader ask every madiak source/channel to assess and notify his/her assessed myth factor based upon the presentations/ coverage	Yes=100; No=(-)200
	Do the madiak assess and notify every month the myth factor of the leader based upon the public displays/banners/posters/announcements/publ ic gestures of Leader and its workers /juniors	Yes=100; No=(-)150
GOSIP Score	Does the madiak assess and notify the GOSIP score/index/rating of each GOSIP announced by HOG, MOG, OIG	Yes=100; No=(-)150
	Does the Leader, HOG,MOG,OIG ask the madiak to assess the GOSIP score based upon the criteria for each GOSIP announced	Yes=100; No=(-)200
	Does Leader, HOG, MOG,OIG itself announce the score/index/rating alongwith details of assessment each time	Yes=100; No=(-)150
	Does Leader, HOG, MOG,OIG itself confirm that the score/index/rating alongwith details of assessment have been declared by him/her each time for all previous GOSIP	Yes=100; No=(-)150
	Does madiak assess and notify the average GOSIP score and rating/index if NN,N,Z,P,PP, of all GOSIP announced by Leader HOG,MOG,OIG	Yes=100; No=(-)150
	Does the madiak assess and notify the GOSIP score/index/rating of each GOSIP announced by MGG	Yes=100; No=(-)150
MS-Master slave Governance	Does madiak assess and notify the average GOSIP score and rating/index if NN,N,Z,P,PP, of all GOSIP announced by the MGG	Yes=100; No=(-)150
	Does the HOG, MOG assess and announce the MS Governance score every three months	Yes=100; No=(-)150
	Does the HOG,assess the government sincerity index/score every three months and notify with details	Yes=100; No=(-)150
	Does the MOG,assess its government unit's sincerity index/score every three months and notify with details	Yes=100; No=(-)150

	Does HOG, MOG assess and notify the 'Games of masterism' score/index with assessment	Yes=100; No=(-)150
	Does HOG assess and notify the CEAK index of each district with assessment details every six months	Yes=100; No=(-)150
	Does MOG, OIG assess and notify the CEAK index of the region /unit region every four months	Yes=100; No=(-)150
Direct communication	Does HOG assess and announce every three months the 'direct communication score' between government and citizen	Yes=100; No=(-)150
	Does MOG assess and announce every three months the 'direct communication score' between government unit/establishment under him/her and citizen	Yes=100; No=(-)150
	Does OIG assess and announce every three months the 'direct communication score' between government unit/establishment under him/her and citizen	Yes=100; No=(-)150
	Does MOG assess and announce every three months the 'public complaint redressal score' of government unit/establishment under him/her	Yes=100; No=(-)150
	Does OIG assess and announce every three months the 'public complaint redressal score' of government unit/establishment under him/her	Yes=100; No=(-)150
	Does Leader HOG,MOG,OIG release statements, launch GOSIP, announce government decisions and plans from designated government platform	Yes=100; No=(-)150
	Does Leader certify itself to be owner of announcement responsible for realizing the objectives and goals and announce/declaration accountability for failures	Yes=100; No=(-)150
	%of statements the Leader released from government's designated platform owning responsibility/accountability against total numbers	100%=100; (-)50 each case when not done
Masterism1	Does Leader HOG,MOG,OIG,PL justify incorrect action or being indifferent for taking corrective action because the government in the past did so	Yes=(-)200 each occasion
	Does Leader notify GOSIP for the common people but common people agitate not accepting in their favour	Yes=(-)200 each occasion

	Does the GPP in government take a statutory decision deviating from the norms and comprehensive participation of those who are against	Yes=(-)200
Madiak state	Does the concerned MOG and government unit/establishment assess and notify the MADISM score/index of each madiak source every 3month	Yes=100; No=(-)150
	Does the madiak source assess and notify its MADISM score/index every month	Yes=100; No=(-)150
	Does HOG,MOG announce the action plan to improve the MADISM state of madiak to PP/Maximum rating	Yes=100; No=(-)150
Centre of development	Does HOG, MOG assess the total value of GOSIP announced for the 20 most developed cities (say CD1) and announce the %of government resources allocated compared to the total government money/resources allocated for the country(TF)	<10%=100; > (-)20 each % higher
	how much CD1 is compared to TF; is it in the proportion of land area or the number of times more in proportion of land area	<4times=100; >4times= (-)100each one number more
Average citizen index	Does HOG announce the average citizen score of the country and each district/unit region every 3 months	Yes=100; No=(-)150
	Does MOG announce the average citizen score of the region and unit region under its constituency every 3 months	Yes=100; No=(-)150
	Does MOG, HOG announce and notify the action plan to uplift the average citizen index/score every six months	Yes=100; No=(-)150
	Does HOG,MOG announce and notify the goals which were announced previously to uplift the average citizen index and are achieved	Yes=100; No=(-)150
Checks on negative mentality	Does HOG, notify the 'evolution of negative mentality score/index' for each region and unit region/district every four months	Yes=100; No=(-)150
	Does MOG/OIG assess and notify the 'evolution of negative mentality score/index' for each unit region/district under its jurisdiction /constituency every four months	Yes=100; No=(-)150

	Does HOG, notify the action plan to uplift the 'evolution of negative mentality score/index' for each region and unit region/district every four months	Yes=100; No=(-)150
	Does MOG/OIG assess and notify the action plan to uplift the 'evolution of negative mentality score/index' for each unit region/district under its jurisdiction /constituency every four months	Yes=100; No=(-)150
Social disintegration	number of agitations/rallies organized attended by HOG with an agenda focussed on religion, caste, regionalism	Yes=(-)100each occasion
	number of agitations/rallies organized attended by MOG,OIG with an agenda focussed on religion, caste, regionalism	Yes=(-)100each occasion
	HOG MOG OIG delivering speech or part of speech regarding matters pertaining to religion, region, caste, race	Yes=(-)50each occasion
	HOG,MOG,OIG delivering speech/statement with emphasis on instigating a specific group of people against any other group of people	Yes=(-)100each occasion
	Madiak assessing and notifying every month, the total number of times HOG, MOG, OIG stated anything which could spark up sentiments of a particular group against any other group of people	Yes=(-)150 each occasion; Madiak not notifying= (-)200
Migration to metro cities	MOG notify the number of people migrated from its constituency, unit region under its jurisdiction during any period of six months	Yes=100; No=(-)150
	MOG notify every three months the number of people who are working in other regions /states	Yes=100; No=(-)150
	Regionwise data published /notified by MOG,OIG,DH seperately Number of people who have left the region for search of job, livlihood to other regions	(-)100 each one hundred people
Election	the 'election' score/index	NN=(-)250, N=(-)150; Z= (-)50; P=0; PP=100
	Are there cases of booth capturing in elections	Yes=(-)150; No=100

	Are the happenings visible and reported that the people are paid money or intended to be paid money or extended other personal favor for manipulating votes casting	Yes=(-)150; No=100
	Are cases of violence reported in election	Yes=(-)150; No=100
Public services	Are the 'Standards' and 'codes' structured by the government for each public services and notified on public domain	Yes=100each; No=(-)150each missing
	Are the 'standard development index SDI' notified for all public services for each region and unit region	Yes=100each; No=(-)150each missing
	Are the 'CMOGE maps' notified for all public services for each region and unit region	Yes=100; No=(-)150each missing
	Are IGPI for all public services, sub-region wise, unit wise, announced with details of GPP bearing the 'responsibility' and 'accountability for failures'	Yes=100; No=(-)150each missing
Show offs	Leader living a high profile life but declaring the common citizen as master, king, royal, god, power source, controlling power etc	Yes=(-)100;
	Leader and citizen sharing food, living place, social occasion	Yes=(-)100;
	Leader treating citizen as their master and bowing head, bending on knees, touching citizen's feet etc	Yes=(-)100;
	Leader using highly glorified words for citizen; not comparable with what really exists	Yes=(-)100;

Justice system

Justice system	Has the GPP-HOG,MOG,OIG initiated actions to make Laws complete and effective	Yes=100; No=(-)150
	Has the GPP-HOG,MOG,OIG initiated actions to bring up the justice system in the form of 'open eye justice system'	Yes=100; No=(-)150
	Does concerned MOG notify the changes needed from existing justice system converting to OEJ and declare action plan	Yes=100; No=(-)150
	Does concerned MOG notify 'accountability for failure' to GPP/MGG for repeated occurances of major crimes	Yes=100; No=(-)250
Performance	The GPP/MGG performance measurement is based upon DAVM goals or Non-DAVM	DAVM=100; Non-DAVM= (-)200
	The GPP/MGG performance measurement is based upon DAVM goals pre-notified on public domains	Pre-Notified=100; No=(-)200
	The performance achievements are presented on public domain in the form of 'ground facts and reality' with verification and measurement	Yes=100; No=(-)150
	Is the extent of success and failure elaborated with total goals envisaged on time line and total achieved in time	Yes=100; No=(-)150

VENAM- Vanity exploiting Nation's Money

GPP presentation- Intelligent vs wooly

Intelligent	1.	talkes about the plans to upgrade life	Yes=100
		talks about best use of government funds in projects with DAVM objectives/goals and	
	2	how is being done	Yes=100
		talks about city planning in DAVM	
	3	presentations/DAVM goals	Yes=100
		talks about region's development planning in	
	4	DAVM presentations	Yes=100
	5	talks about industrial growth DAVM terms	Yes=100
	6	talks about employment growth DAVM terms	Yes=100
		talks about public services upgradations	
	7	DAVM	Yes=100
		talks about improving international image of	
	8	region in DAVM presentations	Yes=100
		GPP presents solutions in DAVM terms	
	9	elaborating how it would solve the problem	Yes=100
		GPP presents in DAVM terms, elaborating how the GOSIP would uplift lives of citizen on	
	10	time scale	Yes=100

Wooly	talks about petty issues like preaching-individual's action to be knowledeable	Yes=(-)150
