

Basic People's Verification Code of Governance: GPP Patriotism Real vs Drams

Note: This is a modelling and derivations, done based upon analysis of existing facts and evolving reasoning based upon common human attributes, as to how the 'Government' and 'Constituents of Governance' are likely to behave and function 'influenced by normal human attributes' under different 'probable conditions' and does not imply projection or criticism of 'any particular government system or individual in the world'. Any explanation in this 'coinciding with any working Government system or person' shall be an unintentional coincidence only.
